TOTAL		400

Q2 If so, why do you visit, and how often do you go there?

Answered: 382 Skipped: 20

#	RESPONSES	DATE
1	Every two weeks - enjoy peace and quiet and the beauty of the place	7/13/2020 9:09 PM
2	Once or twice a week	7/12/2020 4:33 PM
3	I walk there most days	7/11/2020 11:52 AM
4	At least once a week. I go up from the canal	7/11/2020 7:06 AM
5	At minimum once a week. For the exercise, clear air & to organise my mind and soul.	7/8/2020 11:09 AM
6	It's an oasis of greenery, beautiful, unique and precious. Open spaces and access to nature are more important now than ever. We visit about once a week.	7/7/2020 2:28 PM
7	Walks and wildlife spotting	7/1/2020 8:50 PM
8	for my mental well being - at least once a week	6/27/2020 2:21 PM
9	having a walk through the nature reserve and the meadows ,doing a bit of birdwatching. Visit about once a month.	6/23/2020 7:46 PM
10	with children, for exercise and fun. once or twice a month	6/23/2020 2:36 PM
11	For health reasons & exercise - daily.	6/22/2020 11:38 AM
12	I visit the site daily, throughout the year, for exercise and relaxation in a site of special interest.	6/20/2020 12:47 PM
13	N/A	6/20/2020 1:37 AM
14	4 times a week	6/19/2020 4:11 PM
15	twice a week, walk in wilder green space, mental health benefits	6/18/2020 9:31 AM
16	Beautiful area so close to residential area so very accessible	6/17/2020 5:08 PM
17	Beautiful walk, once a week	6/17/2020 3:26 PM
18	I visit to get back to nature and enjoy spotting the wildlife. I visit once a week	6/17/2020 3:00 PM
19	Every day during lockdown. A chance for the family to exercise together, right on our doorstep	6/16/2020 10:26 PM
20	Go there every day. Either walking the dog or a family walk.	6/16/2020 4:04 PM
21	It's amazing the views are stunning, plenty of wildlife and lots of greenery	6/16/2020 9:02 AM
22	I walk my dog there daily. I also take my grandchildren up there on weekends to allow them the pleasures of running free in nature whilst learning to respect wildlife.	6/16/2020 8:12 AM
23	I love the meadows	6/15/2020 11:15 PM
24	3-4 times a week	6/15/2020 11:04 PM
25	Walking with kids, fresh air, mental well-being	6/15/2020 9:38 PM
26	Weekly	6/15/2020 8:12 PM
27	2 a week	6/15/2020 7:14 PM
28	It is beautiful and peaceful, I would normally go there X 3 weekly	6/15/2020 6:48 PM
29	Walking daily	6/15/2020 6:34 PM
30	I go several times a week to walk dogs .	6/15/2020 6:23 PM
31	I mostly visit the canal & bird hides but add a walk in the meadow for exercise. That said last time i was there i sat where the "dip" is to watch the birds. I go there several times a year and consider it a vital part of the nature reserve.	6/15/2020 5:52 PM
32	It's a beautiful place to be, always seeing new and different things.	6/15/2020 5:34 PM
33	Weekly	6/15/2020 5:21 PM
34	Frequently. I grew up in Whitchurch and my family would always visit there, along with the canal and Longwood every weekend. I now walk my dog here, meet up with friends and family	6/15/2020 5:16 PM
35	Every day to walk the dog	6/15/2020 4:25 PM

36	To walk dogs and maybe to adventure	6/15/2020 4:20 PM
37	We visit most weekends and love the health benefits it gives us at our time of life. We are pensioners and locally the Northern Meadows have been a god send during these difficult times. We have always used this beautiful area.	6/15/2020 4:19 PM
38	I'm planning to go down at least once a month	6/15/2020 4:17 PM
39	About 20 times a year	6/15/2020 4:16 PM
40	Weekly	6/15/2020 4:09 PM
41	Often	6/15/2020 3:56 PM
42	It's with walking distance from our home. I use this place regularly for family walks, loan walks and also with my minded children. With COVID-19 this place becomes even more valuable as we are encouraged to be outside even more. This is the only place near us where I don't have to worry so much about social distancing. As you can imagine children love having the freedom to run and roll about. They also love all the little pathways through the long grass and ferns. They are learning so much from using this space, the trees, flowers, birds, insects. It's just a brilliant outdoor classroom. It feeds their imagination and it feeds my soul, makes me feel less anxious and grounded.	6/15/2020 3:54 PM
43	Couple of times a month	6/15/2020 3:54 PM
44	I like to enjoy the peace and tranquility within the busy city.	6/15/2020 3:46 PM
45	Weekly	6/15/2020 3:41 PM
46	I will go now	6/15/2020 3:38 PM
47	Occasionally for a walk	6/15/2020 3:36 PM
48	To enjoy nature	6/15/2020 3:30 PM
49	Weekly	6/15/2020 3:13 PM
50	Once a week as part of lockdown daily exercise	6/15/2020 3:06 PM
51	occasionally	6/15/2020 2:56 PM
52	Everyday	6/15/2020 2:12 PM
53	I go there every day for excercise, fresh air and to be in a green space. It helps me feel calm.	6/15/2020 1:51 PM
54	Peace, exercise and engage with nature, at least once a week.	6/15/2020 1:48 PM
55	I visit to enjoy the open space - so vital here in the middle of a heavily populated city - the observe and to enjoy the wildlife, to calm and refresh my mind. I visit two or three times a week in spring, summer and autumn, and about once a week in winter.	6/15/2020 1:43 PM
56	As often as possible as it's beautiful, and good excercise.	6/15/2020 1:12 PM
57	We go as a family to walk in the beautiful surroundings every few weeks, and more since lockdown. I also often run there for exercise and relaxation time.	6/15/2020 1:04 PM
58	I used to live in Whitchurch, and worked at Forest Farm 14 years. So it used to be very frequently. Before lockdown, I was visiting about once a week	6/15/2020 1:03 PM
59	To go for a walk and enjoy nature	6/15/2020 12:50 PM
60	Walk from my home in whitchurch	6/15/2020 12:47 PM
61	We go as a family for exercise and to take time out. It greatly helps our well being especially living in a busy city. It's a safe place for our children to be with us.	6/15/2020 12:37 PM
62	3 times a week	6/15/2020 12:35 PM
63	Lovely walk, 2 to 4 times a month	6/15/2020 12:27 PM
64	Once a week....spotting nature amongst trees & wildflowers assists me in keeping my Sanity!	6/15/2020 12:17 PM
65	For the beautiful wildlife and peace.	6/15/2020 8:35 AM
66	Almost everyday	6/14/2020 11:46 PM
67	Regularly for walks with my child and family	6/14/2020 10:06 PM
68	For exercise three times a week	6/14/2020 3:47 PM

69	It's beautiful and calming, a wonderful place for nature. Visit a few times a month	6/14/2020 3:04 PM
70	Twolthree times a week	6/14/2020 2:07 PM
71	Walks with my children, wellbeing, fresh air and exercise	6/14/2020 7:59 AM
72	As often as I can. Helps my physical and mental health	6/13/2020 8:00 PM
73	Twice daily to help with wellbeing esp during the pandemic and only real space to walk in whitchurch in greenery	6/13/2020 12:48 AM
74	Every day to walk the dog	6/12/2020 10:37 PM
75	Once a week to run and walk with the family.	6/12/2020 5:56 PM
76	Once a fortnight	6/12/2020 1:11 PM
77	Walks with the family, approximately monthly	6/12/2020 9:20 AM
78	Walk the dog. Twice a day	6/11/2020 10:04 PM
79	daily	6/11/2020 6:30 PM
80	Daily dog walk	6/11/2020 3:47 PM
81	I would go after lockdown	6/11/2020 2:53 PM
82	Walk the dogs every day	6/11/2020 12:07 PM
83	For exercise and mental health. I find the meadows peaceful and quiet, where I live is quite noisy (even my garden) as we are next to the A470 so the short work to the meadows a few days a week is good to unwind.	6/11/2020 8:09 AM
84	Daily	6/10/2020 9:39 PM
85	5 times a week	6/10/2020 8:09 PM
86	During the lockdown, almost every day. Has been my haven.	6/10/2020 8:02 PM
87	Only natural green space which is local, mature trees, biodiverse habitat	6/10/2020 11:58 AM
88	I go daily to walk for exercise	6/10/2020 9:55 AM
89	Walking, relaxation, to enjoy nature	6/10/2020 8:04 AM
90	It an ancient organic meadow site of a Whitchurch Hospital if which there was another on the outskirts of Tongwynlais. I visit infrequently but went there today & will continue to because it runs into the Long Wood of Tongwynlais	6/9/2020 11:04 PM
91	At least once a week	6/9/2020 8:47 PM
92	A few times a year	6/9/2020 5:25 PM
93	2 times a week. I run through it and we take our 2 kids	6/9/2020 5:20 PM
94	None at present but partner discovered it during lockdown. We visit surrounding area regularly so will definitely start now.	6/9/2020 5:08 PM
95	4-5 times a week for dog-walking or running	6/9/2020 5:06 PM
96	To walk, run, watch the wildlife & be among the beautiful trees & grasslands	6/9/2020 11:58 AM
97	Once a week	6/8/2020 8:04 PM
98	Every week for exercise and to enjoy nature with my children	6/8/2020 7:17 PM
99	Everyday	6/8/2020 7:10 PM
100	every few weeks	6/7/2020 3:58 PM
101	I visit to go for a walk, about once or twice a week.	6/7/2020 3:22 PM
102	3 times a week, it's such a peaceful area to walk with my dog.	6/5/2020 6:07 PM
103	The calm, the wildlife, once a week	6/5/2020 2:26 AM
104	For exercise and to see nature, plants birds and environment.	6/3/2020 12:59 PM
105	I visit a couple of times a week and go to the adjacent upper woods regularly as well. I go for excercise but mainly to recharge my soul. The meadows are amazing and beautiful and wild.	6/3/2020 8:49 AM

	How many capital cities have this kind of environment so close to the centre ? It should be valued and have protected status. It also means i dont have to get in my car to visit a wild space, thus further protecting the environment	
106	Daily for walking the dog.	6/2/2020 8:13 PM
107	Mainly cycling, I take the kids there for exercise and to experience a wild rural environment. It priceless.	6/1/2020 11:20 PM
108	Dog walking monthly	5/29/2020 12:56 PM
109	Friends live very close to the Meadows so we'll usually walk there whenever I visit as it's the only undeveloped 'countryside' that's within walking distance of their flat. Probably once a week, while they both walk it daily. They have no garden of their own. It's a particularly beautiful place in the morning before the mist has risen.	5/29/2020 7:21 AM
110	I live right by there , I can almost touch the leaves on the trees . I can't physically go there as I am housebound a prisoner in my flat so it's so important for me to see it from my balcony and through my windows and back glass door !!!	5/28/2020 8:56 PM
111	To walk my dog, almost every day.	5/28/2020 7:54 PM
112	It is peaceful and allows me the opportunity to have some escape from the stresses of everyday life.	5/25/2020 3:08 PM
113	it's like a piece of the countryside on our doorstep, can't believe the variety - grassland, woodland, waterland, so beautiful and peaceful. It was a special trip for birthdays and summer holiday walks, but now we've been there more often since lockdown started.	5/25/2020 2:15 PM
114	Every week	5/25/2020 1:10 PM
115	walking my dogs and running, every week	5/25/2020 12:58 PM
116	Every week	5/25/2020 9:59 AM
117	Recreation and enjoyment of nature. Daily during Lockdown otherwise about 3 times a week.	5/24/2020 8:51 PM
118	To walk amongst nature. I visit every week.	5/24/2020 9:41 AM
119	A couple of times a week, for a walk, i live in tongwynlais don't have a car and walk all around the area as I love to see green nature	5/23/2020 4:51 PM
120	Daily for beautiful scenery	5/22/2020 11:28 PM
121	Occasionally	5/22/2020 4:03 PM
122	A few times a week - it's the only space where you get a real sense of open skies and wildness within walking distance of my home	5/22/2020 11:58 AM
123	Weekly	5/22/2020 10:59 AM
124	For exercise 2-3 times a week	5/22/2020 9:17 AM
125	Monthly for looking at the wildlife and de-stressing by shutting out city life surrounding myself by nature	5/22/2020 9:09 AM
126	For dog walking, exercise, seeing nature. Every few days prior to lockdown	5/22/2020 2:25 AM
127	Take the kids for a walk in the 'country's. They absolutely love the freedom they have to run around without traffic and explore nature.	5/21/2020 10:47 PM
128	Walking several times a week	5/21/2020 6:01 PM
129	Beautiful space to walk in also to exercise dogs 2-3 times a week	5/21/2020 5:52 PM
130	Every day in lockdown. It's beautiful,a nice walk and close to the house	5/21/2020 3:03 PM
131	daily	5/21/2020 2:42 PM
132	Lovely place to go & immerse in nature, calmness and quietness	5/21/2020 2:18 PM
133	Walk with the children and dog once a week	5/21/2020 12:47 PM
134	Dog walking across meadow and down to canal. Most days	5/21/2020 12:08 PM
135	Once every 2-3 weeks	5/21/2020 9:41 AM
136	For a walk	5/21/2020 8:39 AM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

137	Walking everyday	5/21/2020 8:36 AM
138	Up to 3 times a day	5/21/2020 8:02 AM
139	Couple of times a month	5/21/2020 8:00 AM
140	Dig walking daily	5/21/2020 7:51 AM
141	Nice green space, weekly	5/21/2020 7:49 AM
142	Dog walking occasionally	5/21/2020 7:48 AM
143	To walk every week	5/21/2020 7:38 AM
144	For healthy walks not having to drive somewhere for one	5/21/2020 7:34 AM
145	Weekly walk with dogs	5/20/2020 7:30 PM
146	I run through there a few times a week	5/20/2020 6:46 PM
147	Running, walks, fresh air, wildlife - every day	5/20/2020 2:18 PM
148	Monthly	5/20/2020 11:58 AM
149	I'm a countryside girls at heart and need my dose of open space and quietness whilst living in the city!! Enjoy walking and wondering the meadows after busy long days! And I love that's it's on my doorstep!! I'm here multiple times a week	5/20/2020 11:47 AM
150	It's a beautiful place that brings you closer to nature. A wonderful space for people of all ages. I go there a few times a week as I enjoy running through there	5/20/2020 9:43 AM
151	Walking with and without dogs at least three times a week	5/19/2020 11:53 PM
152	To run through	5/19/2020 6:47 PM
153	Daily	5/19/2020 5:29 PM
154	For walks 4/5 times a week	5/19/2020 12:24 PM
155	As much as possible	5/19/2020 9:56 AM
156	Exercise, relaxation, enjoy nature, active travel to Asda.	5/19/2020 9:18 AM
157	A couple of times a month. To be part of nature.	5/19/2020 8:40 AM
158	Exercise, enjoyment It's my boys favourite place to explore	5/19/2020 8:10 AM
159	Walking dog, running, 2-3 times a week	5/19/2020 7:37 AM
160	exercise, once a week	5/19/2020 6:50 AM
161	To walk my dog/spend time with family amongst nature away from hustle and bustle	5/18/2020 10:39 PM
162	To walk the dogs and I go 3 times a week	5/18/2020 10:07 PM
163	Few times a week	5/18/2020 9:55 PM
164	Weekly, it is beautiful! Such a unique spot in Cardiff	5/18/2020 9:17 PM
165	Once or twice a week for a run or walk	5/18/2020 7:51 PM
166	Weekly, to relax	5/18/2020 6:26 PM
167	occasionally, perhaps 6-12 times a year (I live in Cowbridge)	5/18/2020 5:42 PM
168	Walking daily or twice daily	5/18/2020 3:42 PM
169	I only recently discovered it during lockdown but it is a magical space and I cannot believe that the city of Cardiff would want to lose this green lung. I will regularly visit as it is a short bike ride from Canton. Many more people would visit if it was better known about. I just loved the wildflowers and the birdsong and the sense of being in a wild place in the city.	5/18/2020 2:30 PM
170	Dog walking every day.	5/18/2020 12:32 PM
171	I have not visited for a while as I moved to a different part of Cardiff, but I plan to utilise the space once again. It's a beautiful space, full of life and nature. It's good for the soul.	5/18/2020 10:55 AM
172	Dog walking every day	5/18/2020 10:28 AM
173	Every week for a walk with the kids.	5/18/2020 9:25 AM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

174	I go to photograph wildlife, and visit on average once a month.	5/18/2020 7:58 AM
175	Lunchtime 1 hour everyday walk with dog and lids	5/18/2020 3:47 AM
176	For the peace and quiet and the birds	5/18/2020 2:28 AM
177	We've discovered it during the lockdown- it's an amazing green space- we've visited it at least 2/3 times a week	5/17/2020 11:22 PM
178	Excercise- walks/jogging - twice a week or more	5/17/2020 10:58 PM
179	To walk once a week	5/17/2020 10:43 PM
180	Walk dog, run, be in a natural environment other than a recreational aprk	5/17/2020 8:41 PM
181	Peaceful walks in very close countryside	5/17/2020 8:31 PM
182	Walking every few days	5/17/2020 8:01 PM
183	Monthly	5/17/2020 7:37 PM
184	Walking with the dog, once a week	5/17/2020 7:27 PM
185	We take our 7 year old daughter for long walks. It teaches her about nature but more so about the value of outside space and how you can have fun without spending money or being attached to technology.	5/17/2020 6:46 PM
186	Exercise and dog walking in a beautiful, peaceful environment with no cyclists to worry about	5/17/2020 5:48 PM
187	Whilst walking	5/17/2020 4:51 PM
188	Daily dog walks	5/17/2020 1:20 PM
189	For a walk a safe and quiet place for the kids to run around in nature. We go weekly	5/17/2020 12:01 PM
190	almost every day because its beautiful .	5/17/2020 10:53 AM
191	Every other day. For a walk and to teach the children about nature and wildlife.	5/17/2020 10:51 AM
192	every other day	5/17/2020 10:51 AM
193	Short walks away from traffic, every few months	5/17/2020 10:49 AM
194	Walk	5/17/2020 10:30 AM
195	Walks	5/17/2020 10:28 AM
196	Frequently	5/17/2020 8:53 AM
197	Once every couple of months but weekly during lockdown as it's in walking distance from my home and it's been essential for my wellbeing	5/17/2020 8:47 AM
198	Dog walk, at least twice a week	5/17/2020 8:18 AM
199	A couple of times a year. Because it's lovely	5/17/2020 12:34 AM
200	Beautiful green space for walks with my family. At the moment we are walking there 3 times a week	5/17/2020 12:16 AM
201	walk dog, exercise. 4-5 times a week	5/16/2020 11:09 PM
202	4/5 times weekly for walks and relaxation	5/16/2020 10:43 PM
203	Run/walk one or twice a week.	5/16/2020 9:07 PM
204	Now, during corinavirus every day, usually 3 times a week	5/16/2020 8:33 PM
205	To enjoy the nature and exercise about once a month	5/16/2020 8:18 PM
206	Twice in 25 years	5/16/2020 7:12 PM
207	1-2 per week	5/16/2020 7:09 PM
208	Walking at least twice a week	5/16/2020 6:59 PM
209	walking , running 4 days a week	5/16/2020 6:38 PM
210	Not applicable	5/16/2020 6:18 PM
211	Walking. Once a week	5/16/2020 6:00 PM

Proposed Development of the Northern Meadows Feedback Survey

212	Normally once a week throughout the summer. It forms part of one of my running routes. And around once a month for a walk on the weekend	5/16/2020 5:26 PM
213	walk the dog every day	5/16/2020 3:09 PM
214	Lovely scenery that's not far from home	5/16/2020 2:40 PM
215	Every day	5/16/2020 2:26 PM
216	Dog walking, weekly	5/16/2020 1:51 PM
217	walking the dogs and jogging and bird watching	5/16/2020 12:44 PM
218	Fresh air, nature, beautiful. Every day	5/16/2020 12:23 PM
219	For a walk with my family (2 adults, 4 kids) and to look out for different plants and wildlife	5/16/2020 12:17 PM
220	It's a lovely place to walk & see wildlife	5/16/2020 12:09 PM
221	Monthly	5/16/2020 11:58 AM
222	Weekly	5/16/2020 11:52 AM
223	Once a week	5/16/2020 11:36 AM
224	Monthly	5/16/2020 11:36 AM
225	Nature, mental health, photography	5/16/2020 11:27 AM
226	A therapeutic walk with dogs.Once a week	5/16/2020 11:11 AM
227	Walk the dog	5/16/2020 11:03 AM
228	Every week. Peaceful space. Good for my mental health	5/16/2020 11:03 AM
229	Once or twice a week	5/16/2020 10:30 AM
230	I visit almost every day to walk my dog. During the coronavirus crisis it has been a lifeline as without it i would not have been able to explore nature within walking distance. This space has also helped me when I experienced PTSD, providing space away from the busy city and allowing time to reflect in peace.	5/16/2020 10:14 AM
231	2 x week	5/16/2020 9:57 AM
232	To exercise. At least twice a week with my children.	5/16/2020 9:44 AM
233	Walking few times a month	5/16/2020 9:43 AM
234	every day to walk my dog	5/16/2020 9:22 AM
235	Daily walks.	5/16/2020 9:20 AM
236	Every day	5/16/2020 9:19 AM
237	It's a breath of fresh air in this built up city and on my doorstep dint have to drive	5/16/2020 9:16 AM
238	At least once a week for a chance to breath and escape from modern life	5/16/2020 9:13 AM
239	Daily, walk dogs and exercise. See wildlife and relax	5/16/2020 8:58 AM
240	Daily walk our dog.	5/16/2020 8:44 AM
241	4+ times a day	5/16/2020 8:14 AM
242	Excercise and to enjoy the nature. 1-2 times a week	5/16/2020 8:13 AM
243	Lovely walks weekly	5/16/2020 8:12 AM
244	Weekly walks with my Kids and dog	5/16/2020 8:06 AM
245	as often as I can	5/16/2020 7:54 AM
246	Everyday at the moment, usually just weekends. To enjoy a nature walk away from the busy city.	5/16/2020 7:48 AM
247	Once a week	5/16/2020 7:34 AM
248	exercise	5/16/2020 7:32 AM
249	About once a month - less now due to Covid restrictions	5/16/2020 7:29 AM

39	Peaceful space to walk	6/15/2020 4:16 PM
40	Peaceful and wildlife.	6/15/2020 4:09 PM
41	Peaceful	6/15/2020 3:56 PM
42	I love the open space, the winding paths, the bird song, the buzz of bees in the bramble. I love the feeling that you are away from everything, it's like an oasis of calm.	6/15/2020 3:54 PM
43	Tranquil haven. Lovely to walk somewhere free from traffic and bike	6/15/2020 3:54 PM
44	The beautiful wildlife.	6/15/2020 3:46 PM
45	Outdoors	6/15/2020 3:41 PM
46	They are Northern	6/15/2020 3:38 PM
47	Just another place to walk	6/15/2020 3:36 PM
48	The wild life	6/15/2020 3:30 PM
49	Wildlife	6/15/2020 3:13 PM
50	Unmanaged open space	6/15/2020 3:06 PM
51	wildness	6/15/2020 2:56 PM
52	It's such a beautiful open space which provides an invaluable place to walk	6/15/2020 2:12 PM
53	How quiet and pretty it is and it gives me a chance to escape living in a built up area.	6/15/2020 1:51 PM
54	The variety of flora and fauna, the opportunity to sit down in peace, to enjoy fresh air and relax the mind.	6/15/2020 1:48 PM
55	The fact that it's a highly accessible open space in Cardiff and the fact that it is a home to all kinds of wildlife in the middle of an urban environment.	6/15/2020 1:43 PM
56	All of it	6/15/2020 1:12 PM
57	The beautiful surroundings, tranquility and wildlife	6/15/2020 1:04 PM
58	The benefit of open ground, wildlife, outdoor exercise.... in an area surrounded by traffic and buildings	6/15/2020 1:03 PM
59	It's peaceful and near where I live	6/15/2020 12:50 PM
60	Quiet, tranquil compared to the taff trail. full of wildlife	6/15/2020 12:47 PM
61	The peace, calmness, the nature that is all around us. The feeling of being outside and away from the city streets.	6/15/2020 12:37 PM
62	Its brutality. A meadow in a city. Flora, fauna, history (Coryton railway, Canal, Sunnybank cottages), open space, fresh air.	6/15/2020 12:35 PM
63	Beautiful trees	6/15/2020 12:27 PM
64	Open space with lots of interesting avenues to explore. Being amongst the longest living beings I can reach easily within walking distance of my home gives me that freedom of making a choice as to where to go for some "grounding"	6/15/2020 12:17 PM
65	Wild places are precious	6/15/2020 8:35 AM
66	The space the beauty the wildlife the greenry	6/14/2020 11:46 PM
67	How unspoilt and vast it is. It's a real escape from the city.	6/14/2020 10:06 PM
68	The natural environment and the peace	6/14/2020 3:47 PM
69	Spotting flowers, insects, nature with children. It's an oasis in the city.	6/14/2020 3:04 PM
70	The Wildlife	6/14/2020 2:07 PM
71	Beautiful place to take the children & dogs	6/14/2020 12:00 PM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

72	Open space & positive impact on health on our doorstep	6/14/2020 7:59 AM
73	Peace and nature I can walk to	6/13/2020 8:00 PM
74	Fresh air, openness, wildlife, meeting people, health and wellbeing, not having to use a car to get there. Cyclists on taffs trail make it hard to walk with hearing loss, I can't hear them coming. Taff trail to busy and crime rate not good. I can let my dog off lead.	6/13/2020 12:48 AM
75	Fresh air, wildlife, open space, trees	6/12/2020 10:37 PM
76	The untouched respite from the urban environment.	6/12/2020 5:56 PM
77	Open fields	6/12/2020 1:11 PM
78	The trees, open space and nature	6/12/2020 9:20 AM
79	The sights and sounds. The view over the old Whitchurch Hospital early in the morning	6/11/2020 10:04 PM
80	wildlife, nature, tranquility	6/11/2020 6:30 PM
81	It's an area away from the hustle and bustle of everyday life. The sights, sounds and smells of nature are stunning.	6/11/2020 3:47 PM
82	That it was so close to me	6/11/2020 2:53 PM
83	It's used by so many people, families dog walkers commuters etc	6/11/2020 12:07 PM
84	The unspoilt nature and quietness/calmness of it all. Plus the fact it is close to me so easily accessible.	6/11/2020 8:09 AM
85	It's very peaceful and my children are safe to play, walk and explore as much as they desire.	6/10/2020 9:39 PM
86	Tranquility, wildlife, open space	6/10/2020 8:09 PM
87	The wildlife, the tranquility and the health benefits	6/10/2020 8:02 PM
88	Nesting birds, foxes, trees, insects, bats	6/10/2020 11:58 AM
89	Beautiful green space which is becoming harder to find in Cardiff	6/10/2020 9:55 AM
90	The landscape and the nature	6/10/2020 8:04 AM
91	The open space although it is noticeable that bird life & butterflies have declined over time	6/9/2020 11:04 PM
92	It's Natural Beauty & Wildlife ... stunning views	6/9/2020 8:47 PM
93	The wildlife & wild flowers that grow there.	6/9/2020 5:25 PM
94	I love to take my kids to be amongst a true natural space. I like to think it's creating nice memories that they can look back on and always have a place in their heart for wildlife and nature.	6/9/2020 5:20 PM
95	Open green space where people meet. Less busy or developed than a park and feels more like one is in nature	6/9/2020 5:06 PM
96	That it feels wild & natural but is so accessible to local people	6/9/2020 11:58 AM
97	How beautiful and peaceful it is. The beautiful old trees. The variety of scenery. Enclosed green disused railway to the open varied landscape of the meadow. It is also a great place to bring a toddler to let them roam and explore. It really triggers their imagination	6/8/2020 8:04 PM
98	My kids love rolling down the slopes! I love watching them enjoy nature and the simple things.	6/8/2020 7:17 PM
99	peaceful	6/8/2020 7:10 PM
100	it's a place to escape from the busy city	6/7/2020 3:58 PM
101	I like that it's a community area where people who don't have a garden can go and enjoy themselves.	6/7/2020 3:22 PM
102	The open space and the magnificent trees. It's usually free from cyclists so have no worries about my dog or myself being hit by a bike	6/5/2020 6:07 PM
103	It's really close to where I live. The long grass for looking for bugs. Feeling like we are immersed in nature because it feels very wild compared to other Cardiff wildlife places, which although lovely, do not sometimes feel as wild.	6/5/2020 2:26 AM
104	That it is natural, without too much intervention from humans, with lots of wildlife and plants,	6/3/2020 12:59 PM

	often rare species.	
105	Its wildness and natural beauty, something you don't get from a park	6/3/2020 8:49 AM
106	A unique natural environment and open space within the city.	6/2/2020 8:13 PM
107	It's an oasis. Simple as!	6/1/2020 11:20 PM
108	canals & link with Forest Farm	6/1/2020 9:01 PM
109	The feeling of being in the countryside whilst living in a city	5/29/2020 12:56 PM
110	The wildness of it, without the manicured look of most city parks. It has both wooded and open meadow so attracts all sorts of wildlife. It looks and smells like the countryside within walking distance of so many people who would have to drive if the Meadows didn't exist.	5/29/2020 7:21 AM
111	The diversity of it the foxes visit every night the birds chirping in the trees and flying everywhere , the squirrels chattering in the high old trees the herons that have nests high in the canopy and come every year , the bats darting around in the night sky . The beautiful colours of the leaves changing with each season . It's alive with so much !	5/28/2020 8:56 PM
112	It's peacefulness and wildness of nature	5/28/2020 7:54 PM
113	Being close t nature and having some solitude and enjoyment of nature away from built up areas.	5/25/2020 3:08 PM
114	Sense of history because of the canal, sense of calm from the big old woods, high level and low level paths, open areas for skylscapes and a sense of freedom, clean air, and peace	5/25/2020 2:15 PM
115	Peace and quiet	5/25/2020 1:10 PM
116	the open space, greenery and biodiversity	5/25/2020 12:58 PM
117	Pretty area	5/25/2020 9:59 AM
118	Unspoilt natural beauty.	5/24/2020 8:51 PM
119	The freedom to walk amongst nature and to enjoy the natural world.	5/24/2020 9:41 AM
120	When you live in a city and don't have a car you appreciate all that nature has to offer when getting about. I walk a long roundabout way to whitchurch to do my shopping twice a week, I take my time and love it. i love to see nature. I am a key worker and it helps with my mental health	5/23/2020 4:51 PM
121	It's tranquillity and beauty	5/22/2020 11:28 PM
122	Space	5/22/2020 4:03 PM
123	The space, the skies, the sense of connection with the wild, the unmanicured expansiveness of it all	5/22/2020 11:58 AM
124	The trees are so beautiful and it gives you a feeling of well being.	5/22/2020 10:59 AM
125	Space to walk with 2m rule currently in place. Access to nature in a city is rare and calming	5/22/2020 9:17 AM
126	The calmness with zero city/traffic noise and the beautiful trees	5/22/2020 9:09 AM
127	It's local to me and as soon as I enter it is as if the city has disappeared, no traffic noise, just nature.	5/22/2020 2:25 AM
128	That it is so natural and pretty much untouched. It feels like a little countryside oasis in the city.	5/21/2020 10:47 PM
129	The peace and the beautiful scenery	5/21/2020 6:01 PM
130	Abundance of wild life	5/21/2020 5:52 PM
131	Lovely secluded nature spot away from any roads	5/21/2020 3:03 PM
132	Birdsong and peace	5/21/2020 2:42 PM
133	Its countryside, its uplifting & its local	5/21/2020 2:18 PM
134	Green space for the kids to run free. Different trees and wildlife to be seen	5/21/2020 12:47 PM
135	Fresh air. Open space. Exercise. And my dogs love it.	5/21/2020 12:08 PM
136	Open space	5/21/2020 9:41 AM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

137	It's a beautiful, quiet place for walking	5/21/2020 8:39 AM
138	Open space green and plants	5/21/2020 8:36 AM
139	It's a beautiful escape from the city & full of wildlife	5/21/2020 8:02 AM
140	Nature and open space	5/21/2020 8:00 AM
141	Tranquility and beauty	5/21/2020 7:51 AM
142	Bit of history of Cardiff, can walk from old railway to canals	5/21/2020 7:49 AM
143	Beautiful nature space, my dog loves to go there!! As do i	5/21/2020 7:48 AM
144	Beautiful and peaceful	5/21/2020 7:38 AM
145	The contrast of the built up space. Peaceful, beautiful, local natural area	5/21/2020 7:34 AM
146	The. Natural habitat	5/20/2020 7:30 PM

381	It's so close to home	5/15/2020 7:34 AM
382	peace. nature and calming	5/15/2020 7:23 AM
383	The wildlife, peace and the fact we have this space in the city	5/15/2020 7:20 AM
384	Nature. Tranquility. Able to get away from the hustle and bustle of the city	5/15/2020 7:18 AM

Q4 What wildlife have you seen during your visits to the Meadows?

Answered: 374 Skipped: 28

#	RESPONSES	DATE
1	Fox, ducks, heron, kingfisher	7/13/2020 9:09 PM
2	Sparrow hawks, hare (I think), bullfinch, rabbits	7/12/2020 4:33 PM
3	All sorts. Always a treat to see the Heron. Butterflies have been huge in number this year	7/11/2020 11:52 AM
4	Birds, dogs	7/11/2020 7:06 AM
5	I'm not versed in names & types but I get a kick out of spotting the numerous birds & varieties of butterflies. I take photos of plants & enjoy greeting other people.	7/8/2020 11:09 AM
6	Lots! Butterflies, bees, loads of different bird species.	7/7/2020 2:28 PM
7	I am in the process of compiling a list which i will mail to you!	7/1/2020 8:50 PM
8	not really paid much attention other than observing that there must be loads there because of the large areas of un-managed grass and bushes with no paths through them	6/27/2020 2:21 PM
9	various bird species	6/23/2020 7:46 PM
10	butterflies, rabbits	6/23/2020 2:36 PM
11	Rabbits, squirrels, herons, buzzards, woodpeckers, many other more common birds, butterflies, moths,	6/22/2020 11:38 AM
12	Butterflies, bees, grasshoppers and diverse insects. Birds of all kinds and a rare Heronry. Foxes, rabbits, shrews, slowworms.	6/20/2020 12:47 PM
13	N/A	6/20/2020 1:37 AM
14	rabbits, mature trees, herons and many other species of birds	6/19/2020 4:11 PM
15	Herons, rabbits, kingfisher, bats, mice, adders, frogs	6/18/2020 9:31 AM
16	Insects	6/17/2020 5:08 PM
17	All types	6/17/2020 3:26 PM
18	Lots of ducks and different birds along the canal. I've also seen squirrels	6/17/2020 3:00 PM
19	Mainly birds but also evidence of rabbits	6/16/2020 10:26 PM
20	Rabbit, too many bird species to mention, foxes. Huge variety of insects	6/16/2020 4:04 PM
21	Birds, squirrels, herons, buzzards, butterflies	6/16/2020 9:02 AM
22	Wide range of birds & squirrels.	6/16/2020 8:12 AM
23	Many birds & a hedgehog	6/15/2020 11:15 PM
24	Rabbits lots of different birds	6/15/2020 11:04 PM
25	Rabbits, birds, butterflies	6/15/2020 9:38 PM
26	Herons, numerous woodland birds, house Martin's, woodpecker	6/15/2020 8:12 PM
27	Lots of birds and small woodland animals	6/15/2020 7:14 PM
28	Herons, woodpeckers, bees of different varieties, beetles of different varieties, butterflies of different varieties	6/15/2020 6:48 PM
29	Foxes, rabbits, woodpeckers, grass snakes, heron,	6/15/2020 6:34 PM
30	Fox,badgers, field mice, heron, many different birds rabbits	6/15/2020 6:23 PM
31	Many varieties of birds including herons, insects, beautiful array of flowers, plants, grasses, etc.	6/15/2020 5:34 PM
32	Song thrush, heron	6/15/2020 5:21 PM
33	Herons, a variety of birds - including magpies, thrush,blackbirds; dormice,	6/15/2020 5:16 PM
34	Rabbits, birds, frogs	6/15/2020 4:25 PM
35	Grass hoppers birds and worms	6/15/2020 4:20 PM
36	Cant name them, not that clever but we have seen so many birds also hedgehog	6/15/2020 4:19 PM
37	Hoping to see birds and native butterflies	6/15/2020 4:17 PM

38	Lots of butterflies, bees and birds.	6/15/2020 4:16 PM
39	Birds, rabbits	6/15/2020 4:09 PM
40	Flowers, butterflies	6/15/2020 3:56 PM
41	Rabbits, Fox, sparrows, nuthatch, bees, insects (not so good on their names) kingfisher, robins, herons, bittern, tree Creeper, sparrow hawk, magpies, mallards, jays, cormorant, moorhens, squirrels, wrens, blue tits, great tits, coal tits,	6/15/2020 3:54 PM
42	Herons, squirrels, bird life	6/15/2020 3:54 PM
43	Various birds, woodpeckers, robins, thrush.	6/15/2020 3:46 PM
44	Birds	6/15/2020 3:41 PM
45	I will go to see birds	6/15/2020 3:38 PM
46	None	6/15/2020 3:36 PM
47	Many beautiful birds	6/15/2020 3:30 PM
48	Birds	6/15/2020 3:13 PM
49	Heron, butterfly	6/15/2020 3:06 PM
50	many ,too many to name	6/15/2020 2:56 PM
51	Rabbits and herons	6/15/2020 2:12 PM
52	Herons, rabbits, many different types of birds and bees, grass snakes, bats, moles, butterflies, mice.	6/15/2020 1:51 PM
53	Many varieties birds, rabbits, squirrels.	6/15/2020 1:48 PM
54	The site hosts breeding chiffchaff, whitethroat, blackcap, greenfinch, goldfinch, nuthatch, great and blue tits, robing, blackbird, song thrush, great spotted woodpecker, wren, collared dove, woodpigeon. It's also a great place for butterflies - common blue, skippers, brimstone, meadow brown, red admiral, tortoiseshell as well as a whole host of insects that I'm not proficient enough to identify but it's lovely to see there.	6/15/2020 1:43 PM
55	Lots	6/15/2020 1:12 PM
56	Various birds, insects, mice, rabbits	6/15/2020 1:04 PM
57	At least 20 species of bird, several snakes & lizards, Mink and stoats, fungi, wild flowers, trees and shrubs. And much more. stoats	6/15/2020 1:03 PM
58	Lots of birds and insects and squirrels	6/15/2020 12:50 PM
59	Herons rabbits butterflies	6/15/2020 12:47 PM
60	Squirrels, birds, field mice, butterflies	6/15/2020 12:37 PM
61	Birds, flowers, trees.	6/15/2020 12:35 PM
62	Fox, squirrels, birds ++	6/15/2020 12:27 PM
63	Herons, Robins, Bats, Caterpillars, Bugs, Ladybirds, Foxes, Rabbits, Squirrels, Thrushes, Hawks, Stoats, Mink, Mice, Bumble bees!	6/15/2020 12:17 PM
64	Orchids, bird life, butterflies.	6/15/2020 8:35 AM
65	Birds of prey, rabbits, squirrels, birds of all species	6/14/2020 11:46 PM
66	Lots of birds and insects mainly.	6/14/2020 10:06 PM
67	Heron rabbit fox	6/14/2020 3:47 PM
68	Many species of butterflies and birds, hedgehogs, bats, dragonfly	6/14/2020 3:04 PM
69	Rabbits, Foxes, a large selection of birds, such as blackbirds, Magpies, Longtail\Coal\Great\Blue tits and Robins, plus loads of butterflys	6/14/2020 2:07 PM
70	Iv never been but intend too	6/14/2020 12:00 PM
71	Rabbits, squirrels, herons, many different types of birds & insects.	6/14/2020 7:59 AM
72	Lots of birds, a snake and squirrels	6/13/2020 8:00 PM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

73	Mink, heron, grass snake, kingfisher, bats, bird of prey, lots of species of birds, fox	6/13/2020 12:48 AM
74	Birds, rabbits, snake, fox	6/12/2020 10:37 PM
75	A variety of birds that I don't know the names of.	6/12/2020 5:56 PM
76	Birds, butterflies, bees	6/12/2020 1:11 PM
77	Birds and butterflies	6/12/2020 9:20 AM
78	In order of preference: Fox, Heron, Jays, Brimstone butterflies, Rabbits, Dragonflies, Squirrels	6/11/2020 10:04 PM
79	birds of prey, owls, herons, many bird species	6/11/2020 6:30 PM
80	Rabbits, woodpecker, heron, hedgehog	6/11/2020 3:47 PM
81	None yet	6/11/2020 2:53 PM
82	Hérons, foxes, rabbits, bats, numerous species of birds, owls, hedgehogs, slow worms	6/11/2020 12:07 PM
83	Bees	6/11/2020 8:09 AM
84	All different species of birds. We have seen bats and heron along with heron nests.	6/10/2020 9:39 PM
85	I saw a fox early one morning, rabbits, birds.	6/10/2020 8:09 PM
86	Jays, herons, song thrushes, wrens, goldfinches etc	6/10/2020 8:02 PM
87	Bats, birds, insects, foxes, mice, owl	6/10/2020 11:58 AM
88	Many different birds (including kingfishers, woodpeckers, herons, goldfinches) squirrels, voles, rabbits	6/10/2020 8:04 AM
89	Sadly very little	6/9/2020 11:04 PM
90	Owls ... different types of Birds . Squirrels	6/9/2020 8:47 PM
91	Various butterflies, woodpecker, wood pigeons, herons, a fox, species on Tit birds, robin red breast	6/9/2020 5:20 PM
92	Rabbits, squirrels, jays, fox, heron	6/9/2020 5:06 PM
93	Hérons, thrush, blackbirds, squirrels, woodpeckers, sparrows, Robin	6/9/2020 11:58 AM
94	Birds (not good at bird identifying) rabbits foxes Dragon flies	6/8/2020 8:04 PM
95	Butterflies, birds, insects	6/8/2020 7:17 PM
96	herons, buzzards rabbits squirrel King Fisher bats	6/8/2020 7:10 PM
97	birds, squirrels, butterflies	6/7/2020 3:58 PM
98	I have seen a heron, dragonflies, honey bees, robins, tits and lots of others.	6/7/2020 3:22 PM
99	The best one yet is a ghost moth unfurling his wings. Stop and listen to the birds	6/5/2020 6:07 PM
100	Crickets, ladybirds, butterflies, green woodpecker.... I have only just discovered it!	6/5/2020 2:26 AM
101	Robins, great tits, blue tits, wood anemones, bluebells, wild garlic and many more	6/3/2020 12:59 PM
102	On my first visit to the nearby bird hides in Longwood nature reserve I saw 22 different species of bird. The neighbouring reserve is bound to be affected by the proposed development. I regularly see birds in the meadows, including woodpeckers, robin, blackbirds, several types of songbirds, heron, etc.	6/3/2020 8:49 AM
103	Grass snake; buzzard (I think); herons; rabbits; woodpecker.	6/2/2020 8:13 PM
104	Mainly lots of birds, insect and other people.	6/1/2020 11:20 PM
105	Mainly birds, butterflies and other insects, rabbits, wild flowers etc etc etc.	5/29/2020 12:56 PM
106	I'm no expert but many, many birds including beautiful, graceful herons, a darting kingfisher one morning, owls in the evening, bats flying close, a single hare, the trail of a badger, a brown bear. No, that could have been a rather large man measuring a tree.	5/29/2020 7:21 AM
107	Foxes , bats,squirrels , rabbits birds , butterflies frogs hedgehogs and so much more	5/28/2020 8:56 PM
108	Rabbits, foxes, squirrels, plenty of different birds I struggle to identify.	5/28/2020 7:54 PM

Proposed Development of the Northern Meadows Feedback Survey

SurveyMonkey

109	Butterflies, ladybirds, ducklings	5/25/2020 3:08 PM
110	We saw the first bluebells and first wild garlic of our year, and heard a woodpecker.	5/25/2020 2:15 PM
111	Many different birds: Jays, mallards, buzzards, woodpeckers, robin's, herons, dragon flies, many different butterflies.	5/25/2020 12:58 PM
112	Mainly birds	5/25/2020 9:59 AM
113	Foxes, song birds, kestrel, Green woodpeckers, buzzards, rabbits, possibly a hare, herons - lots of birds.	5/24/2020 8:51 PM
114	Birds and small mammals	5/24/2020 9:41 AM
115	Squirells, birds	5/23/2020 4:51 PM
116	All wildlife birds chirping foxes	5/22/2020 11:28 PM
117	Most6birds	5/22/2020 4:03 PM
118	Heron, buzzard, rabbit, loads of birds	5/22/2020 11:58 AM
119	Squirrels, rabbits and the birdlife is very varied	5/22/2020 10:59 AM
120	Mainly birds at the times we walk but it's apparent that it's a wildlife haven	5/22/2020 9:17 AM
121	Plethera of birdlife, foxes, bats, insects, rabbits	5/22/2020 9:09 AM
122	Birds of all descriptions (not an expert) , bluebells, wild flowers, the trees are amazing, some of them appear to be ancient wood. I am not an expert on individual wildlife I just enjoy what comes my way.	5/22/2020 2:25 AM
123	Lots of butterflies and many different vibrantly coloured birds (not sure of names). We've also seen squirrels.	5/21/2020 10:47 PM
124	Birds, squirrels, rabbits, fox, snakes, bats, lizards etc	5/21/2020 6:01 PM
125	So much to list the area is full of various species of mammals and birds	5/21/2020 5:52 PM
126	Birds,rabbits and squirrels	5/21/2020 3:03 PM
127	Various birds, Butterflies,rabbits	5/21/2020 2:42 PM
128	Birds & wild flowers	5/21/2020 2:18 PM
129	Different birds, rabbits, squirrels, bats	5/21/2020 12:47 PM

371	Not sure	5/15/2020 7:34 AM
372	mink, bats, fox, lots of rabbits	5/15/2020 7:23 AM
373	Too many to mention, but including herons, kingfishers, rabbits, fox, ducks, grass snake	5/15/2020 7:20 AM
374	Kingfisher, rabbits, ducks, grass snake, fox, butterflies, dragonflies	5/15/2020 7:18 AM

Q5 Are you aware that 80% of the Northern Meadows will be lost once development is complete?

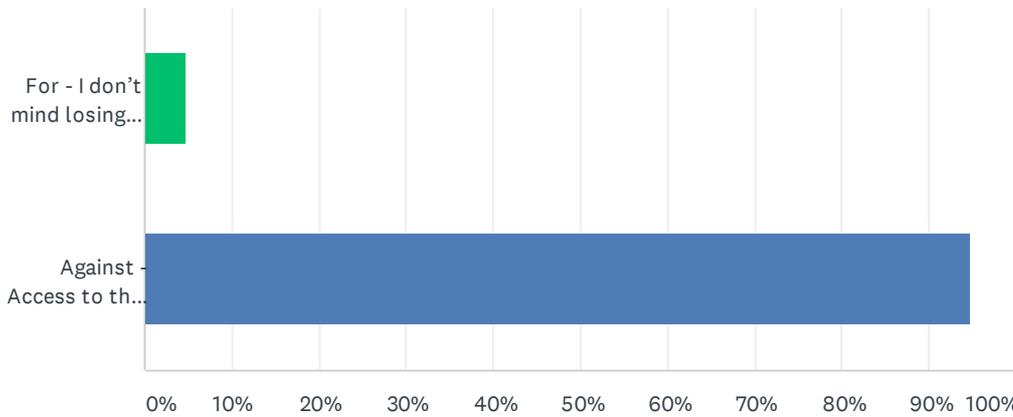

Answered: 392 Skipped: 10

ANSWER CHOICES	RESPONSES	
Yes	78.83%	309
No	21.17%	83
TOTAL		392

Q6 Are you for/against any development on the Northern Meadows?

Answered: 402 Skipped: 0

ANSWER CHOICES	RESPONSES	
For - I don't mind losing access to this wildlife area	4.73%	19
Against - Access to the Meadows improves my health and well-being	94.78%	381
TOTAL		402

#	ANY ADDITIONAL COMMENTS?	DATE
1	My name is Owen Thomas and I am a Playwright from Tongwynlais. I feel passionately about helping out. Please let me know if there is anything I can do. @owenplaywright on twitter. Best wishes.	7/11/2020 11:52 AM
2	I love the Northern Meadows and I love your campaign. I love the Northern Meadows and I'm very grateful for your campaign. But I do not like the small laminated 'inspirational' quotes that were hung up on many trees towards the start of lockdown. They are LITTER and do not belong in such a beautiful location. I hope they will be removed.	7/11/2020 7:06 AM
3	Make use of an unused hospital & it's ground - in case no one has noticed- the that backs on to Velindre.	7/8/2020 11:09 AM
4	It's more precious than ever. I'm sick of the natural world being sacrificed for money.	7/7/2020 2:28 PM
5	I am trying my best to assist objecting to the planning proposal - mailing planners, councillors etc, signing the petition	7/1/2020 8:50 PM
6	It seems bonkers to me, to take away something that keeps us well, to replace it with something to treat illness.	6/27/2020 2:21 PM
7	That piece of land is beneficial environmentally and for the mental and physical health of all who visit it.	6/22/2020 11:38 AM
8	It is a unique site of special interest - it can never be replicated and deserves to be protected for the sake of the health and well-being of all the current users and the younger generation who will be introduced to it. My children love it - my grandchildren have grown to love and respect it's diversity. It is a cruel irony that the old Whitchurch Hospital grounds and the existing Velindre car park could easily accommodate the new build and preserve the Meadows	6/20/2020 12:47 PM
9	I am new to Cardiff and whilst I have not yet visit the meadows as I was previously unaware of it, to loose any eco system is a great loss! We should be protecting the natural environment! I will definitely be visiting!	6/20/2020 1:37 AM
10	I am not opposed to the building of a cancer hospital, I just believe it should be built on a brownfield site.	6/19/2020 4:11 PM
11	It's disgraceful to think this is even a consideration. The loss of tree will impact on flooding in the housing below, not to mention loss of habitat for many creatures of the meadow. Someone is obviously looking to profit as there is plenty of space on the old hospital site and adjacent brownfields site.	6/18/2020 9:31 AM
12	Please let it stay!	6/17/2020 3:26 PM
13	The arguments for the site are not in the least bit convincing. It would be interesting to know what the real motives are.	6/17/2020 3:00 PM
14	I hate to say it, but the more people that are aware of it, the more will use it, and therefore support our efforts to save it. Surely there are many brownfield sites that could be used instead?	6/16/2020 10:26 PM
15	I think it is horrendous that we may lose such an area whilst there is available sites close by more suitable to the construction of a hospital. Not to mention the traffic chaos that will be caused to an already traffic busy area.	6/16/2020 4:04 PM
16	It's so calming and peaceful I feel completely relaxed and happy after a visit	6/16/2020 9:02 AM
17	This wild green space replenishes me. I suffer with depression and a walk in the meadows when I'm at my lowest brings my mood up.	6/16/2020 8:12 AM
18	This should not be happening, We so need our nature, wildlife & green areas. Pls do not let this happen. It would be a great shame!	6/15/2020 11:15 PM
19	Whitchurch has one park. The library park, not much bigger than some gardens! We should not have 2 drive to enjoy green spaces. Its so beautiful and has so many ancient trees. Its vital for peoples well being.	6/15/2020 11:04 PM
20	This would be a travesty to lose such an amazing place. It's unique within a city.	6/15/2020 9:38 PM
21	Such a shame to loose a green space like this. Most of the park close by are over run by sports teams meaning not many places we can locally take our dog for a walk. Especially within walking distance. I would be so upset if they get lost and my daughter isn't able to enjoy this open space that's so close to home.	6/15/2020 7:14 PM

22	I strongly object to the development on the northern meadows. I want to take my children to this beautiful place! Please preserve it so that we can share it's natural wonder for generations to come !	6/15/2020 6:48 PM
23	Considering the shortage of local wild open spaces it is very surprising that this has been chosen to build on. Whilst other areas of Cardiff are redeveloping brownfield sites they are choosing to build on a green site. Use Whitchurch hospital and Velindre site combined, plenty of entry/exit points and already a hospital site.	6/15/2020 6:34 PM
24	This environment is vital for animals, birds wildlife in general and for people's well being	6/15/2020 6:23 PM
25	There are so many "brownfield" sites that can be used. The argument that the Whitchurch Hospital site will be too expensive is ridiculous when the bridges needed to build on the meadow cost over £30 million. What about the people living nearby? Not only will they lose a green space but will have to endure years of heavy construction traffic.	6/15/2020 5:52 PM
26	I find it difficult to believe that this area will be lost, when it is so necessary to have green spaces in such a built-up area. The traffic is already incredibly difficult in Whitchurch. There are so many people, houses, shops, cafes, it is such a highly sought after area, such a popular place to live. I grew up in Whitchurch and my parents lived here for almost 60 years	6/15/2020 5:16 PM
27	I think it's cruel for them thinking of doing such a thing	6/15/2020 4:20 PM
28	Surely there must be brown field land within Cardiff that could be used or even the vast amount of land on the old Whitchurch hospital site. I know that the hospital is listed. I believe that it is only the Tower that is actually listed and of course should be preserved. It's one of my own favourite landmarks that is close to my heart. As it is Whitchurch hospital Is just being left to fall into disrepair which is dangerous. And very sad.	6/15/2020 4:19 PM
29	We need to keep green spaces. Why don't they build on the old Whitchurch Hospital?	6/15/2020 4:16 PM
30	At a time where we are truly learning the value of the great out doors it would be devastating for us and future generations to lose this space. I cannot put into words how it makes me feel each time I visit. It's well used, but it still gives you a sense of freedom. It really is food for the soul, it grounds you, makes you less anxious, if you could bottle it you'd make a fortune!	6/15/2020 3:54 PM
31	Several other potential sites for this important improvement of the Velindre cancer centre, including the adjacent Whitchurch hospital site	6/15/2020 3:54 PM
32	Cardiff has become so built up one way or another. Please can we retain this natural area for everyones well being. We need to maintain our green areas.	6/15/2020 3:46 PM
33	Having a new Cancer Hospital is definitely the way forward.	6/15/2020 3:36 PM
34	A travesty if it goes ahead!	6/15/2020 3:13 PM
35	I'm aware that lower part of the meadows is owned by the NHS	6/15/2020 3:06 PM
36	My mum has terminal cancer I am devastated to think velindre will leave such a negative legacy on this space I have walked my dog's for 20 years on the meadows it's so important to me and irreplaceable shame in velindre	6/15/2020 2:12 PM
37	Losing the meadow when there are other more suitable and more affordable options available is criminal. It has played a large part of my life and contributed to my mental and physical wellbeing for the last 12 years. The best part is that it's only a 5 minute walk from my house. This is the last green area of it's kind in north Cardiff due to overdevelopment. Please keep it as it is for us all to enjoy.	6/15/2020 1:51 PM
38	Don't let it happen.	6/15/2020 1:12 PM
39	I am a healthcare professional and well aware that Velindre needs upgrading and expanding. However, I feel very strongly that the meadows is not the best location for a new Velindre. The loss of that beautiful area will be detrimental to those who currently visit it or live alongside, particularly those in the flats with no gardens of their own. This is likely to contribute towards increasing incidence of cancers and other medical conditions due to poorer mental health and increased obesity, just as a couple of examples.	6/15/2020 1:04 PM
40	Once green space is LOST, this s LOST, forever. Cardiff is already 400acres short of green space forc a city of our size. Brownfield sites, other space, the old Whitchurch hospital, the old Amersham site, Cwmbnan. The new hospital is a vanity project.	6/15/2020 12:35 PM
41	The variety of wildflowers there also add to the diversity of the whole place. I've photographed Speedwell amongst the Buttercups, Tall Purple/Pink flowers amongst the daisies. In search of the Wild Orchids every time I go there... We know they're there just gotta be there "at the right time of their" flowering" Its a natural educational haven for the	6/15/2020 12:17 PM

	local school children...I was born & brought up in Whitchurch... The meadow & the longwoods was a regular haunt by me & my girl guide group & as I brought my own family up in Whitchurch, its been an educational place to inspire my children... And fir the future I very much hope it will still be there for my future grandchildren to appreciate.	
42	Save our wild places we need them more than ever!	6/15/2020 8:35 AM
43	Please do not build on the meadows, they are part of what makes Cardiff special.	6/14/2020 10:06 PM
44	A cancer hospital is needed however the location may have been suitable 20 years ago isn't any more.	6/14/2020 2:07 PM
45	Especially during these unprecedented times, many of us need areas like this for our own mental health and well-being.I can imagine this area is home to wildlife in abundance and it would be a true shame to loose any wildlife & natural beauty. We should treasure our gems in our city	6/14/2020 12:00 PM
46	Keep up the good work, this campaign is brilliant!	6/14/2020 7:59 AM
47	Shamelessly pushed through during covid without consultation. Lies they are happy to put high school on hospital site, google whitchurch high school governor minutes to verify, Unfair play during main application process Velindre trust putting undue pressure on those against planning. Feel your card is marked if you object and need treatment. Awful for local schools Awful for ecosystem Awful for residents Sneakiness in obtaining easement for Coryton secret garden and never mentioning it any public consultation Wilful neglect of wellbeing act, future gen act, healthy wales etc.. Years to plan and we get 3 weeks to comment	6/13/2020 12:48 AM
48	I don't understand why they would choose to build on a green area and not repurpose Whitchurch Hospital or make use of brownfield locations.	6/12/2020 5:56 PM
49	Areas like this are needed for wildlife, domestic animals and people!	6/12/2020 1:11 PM
50	It would be a loss to the whole of Cardiff	6/12/2020 9:20 AM
51	There is ample space on the current Velindre site to facilitate its needs and it is nonsensical to build a brand new hospital (especially in this location). More emphasis should be given to upgrading the current Velindre site (e.g. outpatients) in a phased manner. This, in my opinion is perfectly doable and I have not seen any written proposals which have tried to do this. There are many parts of Velindre which are still relatively new (<10 years old). With the current move towards more home care, follow up consultations via phone/skype and hypo-fractionated radiotherapy treatments (i.e. fewer patient appointments) then the argument for a larger and new site lacks credibility.	6/11/2020 6:30 PM
52	Absolutely against the destruction of this precious green environment.	6/11/2020 3:47 PM
53	Reducing green space in urban built areas has been implicated in stress reduction and quality of life. If it goes then these areas will only be available to those with cars who can travel to such places.	6/11/2020 2:53 PM
54	There is no need to build on the Northern meadows in whitchurch as there is perfectly good brown field site right next to it. It's all amount money! There are already very few green field spaces in Cardiff north and this would destroy ours completely! Why is Anna McMorrin supporting the destruction of these meadows ????	6/11/2020 12:07 PM
55	A cancer centre is needed of which both my parents and a very dear friend use. However, all have stated the need to build on existing brownfield sites rather than destroying this vital piece of land.	6/10/2020 9:39 PM
56	This is a disgrace. We must save a last remaining wild area in Cardiff. Having parks is not the same as open space. Our mental health will be badly impacts if we loose the opportunity to all in open space.	6/10/2020 8:09 PM
57	They should develop the existing Whitchurch hospital site, which would be possible to save that asset properly too, and save this precious green lung.	6/10/2020 8:02 PM
58	Criminal loss of greenspace	6/10/2020 11:58 AM
59	There are other places that the hospital site, and its access route, could be developed on - it should not, and does not need to, be on this meadow.	6/10/2020 8:04 AM
60	It's ironic that a hospital treating cancer a disease that can be so destructive wishes to destroy a natural site A site that can benefit those undergoing treatment.	6/9/2020 11:04 PM
61	I think it's disgusting to lose this natural beauty for the local community & the animals it's awful . I understand the hospital needs to change but build another hospital somewhere else	6/9/2020 8:47 PM

	bigger	
62	100% against. This is a true indigenous wild space it's an absolute gem within a city. There aren't many of these left and it should be preserved with urgency for all future generations. It would be ignorant and a travesty for our children and their children to see what was there and then see what it had been replaced with. Velindre can easily be relocated to less impact on the environment and cost to the local community	6/9/2020 5:20 PM
63	I am looking forward to discovering this area with my family. My partner rediscovered during lockdown run. There aren't many natural areas in Cardiff and this is needed for all ages to enjoy. Now more than ever outdoor space and availability of this to keep people healthy is vital. It is important that we raise awareness of such areas for all to enjoy and help support.	6/9/2020 5:08 PM
64	This area should be protected & become part of the nature reserve	6/9/2020 11:58 AM
65	The new hospital should be built on the old Whitchurch hospital site with new housing on Velindre site only. There should be greater use of brownfield sites to meet housing demand across city. The cost to future generations of losing the meadows is too high. They can never be replaced. They are an important and essential local resource.	6/8/2020 7:17 PM
66	I think its a disgrace using this piece of land , while whitchurch hospital sits degrading!! The financial gain of over developing all of this land has blinded management planners and government. The meadows should be part of the nature reserve and protected !!	6/8/2020 7:10 PM
67	The meadows are a garden for the entire community, a safe haven and home to lots of wildlife. The hospital could be extended somewhere else, but there is nowhere like the northern meadows.	6/7/2020 3:22 PM
68	We need local open spaces for the wellbeing of the local community to enjoy. Not everyone has access to a garden. This space is so important especially at this time	6/5/2020 6:07 PM
69	With so little natural sites that are unchanged by humans it is vital we have a chance to see wildlife first hand. It makes our mental health better as well as gives us a chance to exercise and make our physical health better.	6/3/2020 12:59 PM
70	I have had cancer and am awaiting tests for possible secondary. I would rather have the meadows completely preserved than have a cancer hospital built here. There MUST be alternatives. They are irreplaceable.	6/3/2020 8:49 AM
71	It is a place of calm and tranquility for many and an escape from urban life.	6/2/2020 8:13 PM
72	This question may have already been asked but, isn't planning permission only valid for 5yrs unless additional stipulation has been applied at the time of granting? Is this actually lawful? Planning permission granted 20yrs ago would not hold up against current regulations. New planning permission would unlikely be granted.	6/1/2020 11:20 PM
73	Would rather hosp than housing, but not whole site if nowhere else. Hospitals like Velindre need good rail/public transport links. The new Grange hospital will be in the middle of the countryside with hundreds of car parking spaces.	6/1/2020 9:01 PM
74	We were not made fully aware of how much of the meadows would be lost when the development was proposed or how much disruption it would cause. It is too high a price to pay.	5/29/2020 12:56 PM
75	This would be a huge loss, so many people would lose access to this beautiful wild open space. To be able to walk from home and escape the tarmac and concrete is a release. It seems a human right to me, it risks people's mental health, it removes play from local children, teenagers lose their hiding place, adults their wandering space.	5/29/2020 7:21 AM
76	Green space is more important than ever - raising awareness and enabling people to visit is vital to ensure wellness and mental health for people	5/29/2020 5:24 AM
77	A diverse ecosystem that has been there hundreds of years . Our planet is at crisis point with climate and the reduction of natural places through the world . When does a building become more important than this . You can move where a building can be constructed but you can't move a space of outstanding beauty like the meadows !!!!	5/28/2020 8:56 PM
78	It is incredibly important for our mental health hat they have access to this beautiful natural environment on their doorstep so that we can have done time away from our stressful everyday lives and have serenity and peacefulness	5/25/2020 3:08 PM
79	Trees and undeveloped land is so important for our congested city, and we can walk here which is like a pocket of countryside, without having to take the bus, train or car to get here. We need to protect this wonderful oasis for the sake of our city's heritage and our childrens lungs.	5/25/2020 2:15 PM

80	The Meadow are a vital part of the lungs of North Cardiff, the carbon it stores being vital for our health. The birdlife and open space is wonderful and enriching and one of our favourite places to visit in North Cardiff. Living in South Wales and Cardiff specifically is full of open spaces which make it as place worth living, if these areas are destroyed then it becomes a less enjoyable, healthy place to live.	5/25/2020 12:58 PM
81	There's too many spaces being lost to development.	5/25/2020 9:59 AM
82	Wonderful therapeutic unspoilt natural area of great beauty and peacefulness.	5/24/2020 8:51 PM
83	We should leave well alone. There is no need to develop this green space	5/24/2020 9:41 AM
84	No green site should be destroyed, it's no different to destroying the amazon. shamefull	5/23/2020 4:51 PM
85	Shame on the developers it's a disgrace.	5/22/2020 11:28 PM
86	It's heartbreaking to think we'll lose it. It's one place I can go that lets you feel you can breathe. Parks are too manicured and woodlands have a different feeling mentally; they are closed in and protective whilst the meadows feel freeing and open. I walk up there and feel my lungs expand.	5/22/2020 11:58 AM
87	Spaces like these are precious to the wildlife that inhabit it to us that find peace and quiet and solace in its beauty and for the next generation and beyond to have the same delight and joy in nature.	5/22/2020 10:59 AM
88	It would be irresponsible of Cardiff Council and the NHS to remove access to green space. The current pandemic has highlighted the need for areas to access and the positive impact of nature on mental health. It would be devastating to develop the meadows and would be the the detriment of the people of Whitchurch as well as wildlife.	5/22/2020 9:17 AM
89	At this time we are more acutely aware of how much we need our wild places. My children grew up and played on the Northern Meadow and as adults they take their children to play, it is a piece of wilderness in the city and unlike many of our green spaces it is not perfectly manicured and managed, it is as nature intended and all the more perfect for it.	5/22/2020 2:25 AM
90	It's disgraceful that it would even be a consideration to reduce this beautiful place to tarmac.	5/21/2020 10:47 PM
91	It would be a travesty for the local environment to lose any of the northern meadows. Air pollution and traffic is high as things stand and to lose an area of such natural beauty would both add to this and take away a place for residents to unwind and enjoy.	5/21/2020 6:01 PM
92	The loss of this space for local and further afield walkers will have a detrimental impact The impact this will have on resident wild life mammals birds and rare and unusual plant life is saddening	5/21/2020 5:52 PM
93	Why not negotiate to build in the grounds of the old Whitchurch Hospital. That would be really close to Velindre.	5/21/2020 2:18 PM
94	I live on the Hollybush Estate but I also receive cancer treatment at velindre. While I know velindre is desperate for more space and should have it, but as a resident and user of the meadow I think it would be devastating to build there. Whitchurch hospital grounds are the obvious resolution. Keep the frontage like st David's hosp and build in the grounds. If not (due to politics) build where the devastation is minimalised to wildlife and current beauty spot of historical significance.	5/21/2020 12:08 PM
95	Understand need for new Velindre centre of course but why there? Why not on Whitchurch hospital site ?	5/21/2020 8:36 AM
96	This is disaster for our community with the old Whitchurch hospital remaining unused	5/21/2020 8:02 AM
97	Don't need any more housing in Whitchurch too populated as it is	5/21/2020 7:51 AM
98	This cannot be allowed to happen. It will be to damaging to the environment and for people around the area.	5/21/2020 7:48 AM
99	Leave green spaces in city's alone	5/21/2020 7:38 AM
100	Please do no not go ahead! We don't need more buildings! For the sake of well being we need open spaces like this!!	5/20/2020 11:47 AM
101	I can't believe this is even being contemplated. This is such a beautiful area and building on it would be criminal	5/20/2020 9:43 AM
102	This is the only natural, unspoiled green area left in Whitchurch - one teeming with wildlife and a haven for plants and trees. The recent coronavirus crisis has only highlighted what a lifeline it is to those fortunate enough to have access to it. The meadows instead of being	5/19/2020 11:53 PM

destroyed should be absorbed into the existing Forest Farm nature reserve. They are not separate but mutually reliant on each other to support the wildlife of the area. Vital habitats will be decimated if heavy machinery moves in and birds, insects and animals which call the meadows home will be lost at a time when so much is being done elsewhere to protect species of all kinds. What will our children and grandchildren say if we just allow this to happen? Mental health and obesity are constant concerns today as is the time children spend indoors on computer screens. The continuing availability of such a wonderful area for us and our families to enjoy - we often see two, three and even four generations out there together - is vital to health and well-being. Don't take it away - don't let's go on making the mistakes previous generations made. Let's learn - let's make future generations who will inhabit Whitchurch long after we are gone, proud of our actions. Let them walk, run, play and learn the value of nature on the wild grassy slopes as we have... and let them know we cared enough about the natural world and the wildlife in it, to keep it safe for them.

103	This is the best green space we can walk to without crossing any roads, the dogs love it there and we have used this space daily for more than 8 years	5/19/2020 5:29 PM
104	I understand the need for a new hospital but is there not somewhere else they can build with better access and less distruction	5/19/2020 8:10 AM
105	I am in favour of a new cancer centre but this is the worst possible location. Access is poor (even after the new link road through Asda is built) and there are plenty of former industrial sites with better links where it could be built.	5/19/2020 7:37 AM
106	I appreciate the site is for a much needed cancer hospital but don't understand why it has to be on this location when there are brown field sites available	5/18/2020 10:39 PM
107	I would hate to see this site developed! It is a home to so much wildlife, but also an amazing green space which should not be lost from the city of Cardiff.	5/18/2020 9:17 PM
108	There are so few natural areas for relaxation in the city. It's the wrong site for development. There is a site that runs behind the existing velindre that is Whitchurch hospital, it is being left to degrade. Just the 28m from the council for the construction bridges would clear the Whitchurch site.	5/18/2020 7:51 PM
109	This is an ill-thought out action - removing an open space so close to Whitchurch.	5/18/2020 5:42 PM
110	Can't believe we could lose this rare piece of wild area in the heart of the city	5/18/2020 2:30 PM
111	Loosing this area would be a catastrophe not only for the wildlife that will be lost but for the well being of the people of north Cardiff. People need nature to thrive.	5/18/2020 12:32 PM
112	It's terrible that such a beautiful place will be destroyed when there are surely other options for development elsewhere.	5/18/2020 9:25 AM
113	There are alternatives to development on this site. I travel (two buses) to get there, making an effort to visit the Meadows because it is so special. There are very few truly wild areas anywhere within striking distance of my home, and despite the one hour journey each way, it is always rewarding. These special habitats are being destroyed by over development, and nature is being eradicated from cities everywhere. The Meadows should be treasured, as it has an almost unique status within Cardiff. We should not allow building on this land.	5/18/2020 7:58 AM
114	It just can't be right to lose such a wonderful open space to development. There must be a better way to build a larger hospital without losing such a unique part of north Cardiff	5/18/2020 3:47 AM
115	Not required on this site. Could be built on any brownfield site where access and destruction of greenfield would not be necessary. It is on the whole a research centre not a hospital.	5/17/2020 8:31 PM
116	This place needs protecting	5/17/2020 7:37 PM
117	I'd be devastated for my family if northern meadows is developed on.	5/17/2020 6:46 PM
118	Of course everyone wants a new cancer centre, but NOT at the expense of irreplaceable wild places. Listed buildings can be built around and incorporated into a new design or they can be dismantled and rebuilt elsewhere. Once this wild land with its biodiversity is lost, it is lost FOREVER. We need to plan for the future generations and keep wonderful places like this available for tg he physical and mental well being of others who will live here long after we're gone.	5/17/2020 5:48 PM
119	There are simply not enough natural, unspoilt and ancient spaces like this left. It would be a travesty to bulldoze it as there are alternative brownfield sites available	5/17/2020 1:20 PM
120	Surely there has to be another way, without taking away this beautiful area. This area helps people with keeping fit and healthy, as well as helping with people's mental well-being. There are not that many areas where all this can be explored safely.	5/17/2020 10:51 AM

121	this again is taking green area away from the area.when there is a area on whichurch hospital grounds which could easily accapadate the same area without affecting wildlife.it also has benifits of walking.and mental wellbeing	5/17/2020 10:51 AM
122	Please keep letting us know how we can help	5/17/2020 10:49 AM
123	A crime to build on these meadows	5/17/2020 10:28 AM
124	There is a site in Newport called Imperial Park, with modern empty buildings easily convertible to a hospital and excellent access. I don't know why they don't build it there and leave our precious green spaces alone	5/17/2020 8:47 AM
125	We need the hospital provision and the housing but I think the Council is not doing well at preserving accessible open space, active transport and robust management of those characteristics.	5/17/2020 8:41 AM
126	Develop brown field sites. There are loads of empty buildings in Cardiff. Owners are sitting on sites to make more money	5/17/2020 12:34 AM
127	Please we need more green spaces not fewer. Don't destroy natural habitats Don't take our walk away. It's so important to our physical and mental health. We would have to drive to a walk.	5/17/2020 12:16 AM
128	It would be cruel to destroy it	5/16/2020 8:33 PM
129	There are so few areas of wilderness left in Cardiff it would be an enormous shame to lose this. There are few remaining habitats locally for these animals, in sure there would be public fury.	5/16/2020 8:18 PM
130	Reduction of traffic pollution in Whitchurch especially Velindre Rd will be very welcome.	5/16/2020 7:12 PM
131	Increased traffic will also be a major issue for current residents if the area	5/16/2020 6:59 PM
132	I am for the new cancer hospital - i strongly oppose the access plans etc there is a football field that is rarely used for football, mainly for dog walking - space that i would happily lose in return for some of the meadows, which are enjoyed by so many more (I hate to say it, but the same could be said of the rugby pitch) The planners were scared of tough decisions	5/16/2020 6:38 PM
133	There are other local areas and we need a new cancer centre	5/16/2020 6:18 PM
134	Only just discovered this area. Would be a tragedy to lose it.	5/16/2020 6:00 PM
135	There appears to be no logical reason to destroy the meadows when there's a perfectly serviceable brown field site in the current hospital grounds	5/16/2020 5:26 PM
136	Ridiculous to lose this space when there are so many other brown sites it can go to	5/16/2020 3:09 PM
137	We need to be preserving these areas For the physical and mental well being of everyone	5/16/2020 1:51 PM
138	i believe that the velindre should be extended to the disused mental hospital with access via forest road connected to the road on forest farm industrial estate	5/16/2020 12:44 PM
139	Why build here when you have all of the grounds of Whitchurch Hospital to use	5/16/2020 11:58 AM
140	Find an alternative .	5/16/2020 11:52 AM
141	Development should happen on the old Whitchurch hospital site.	5/16/2020 11:36 AM
142	So many other places that could be used. Use brown field sites first. Just look at the development possibilities of the Treforest Industrial Estate - so much space for development there. Developers only think about what is easiest and most profitable for themselves, not what is the best way forward considering all factors.	5/16/2020 11:36 AM
143	I feel there must be brown sites that can be developed	5/16/2020 11:27 AM
144	Please dont destroy this wonderful tapestry of a precious habitat for our wildlife and community.Please use an alternative .Brown fields or whitchurch hospital grounds.Save our tranquil cherished local meadows and its various residents.	5/16/2020 11:11 AM
145	We need natural open green space for local people to enjoy. Families, children & dog walkers	5/16/2020 11:03 AM
146	Children need outdoor space and it is known that spending time in nature positively impacts on our mental and physical health and well-being. The loss of the majority of the meadows would have a huge impact leaving many people little access to 'wild' areas.	5/16/2020 10:30 AM
147	I feel that the development cannot go ahead due to the reality of the well-being of future	5/16/2020 10:14 AM

	generations act and the environment (Wales) act. These acts specifically ask developers to maintain biodiversity, and building here would fundamentally alter the biodiversity of the site. I also believe that the space should be preserved for future generations, to show them how a wild wales really was centuries ago. This would act as an educational source, a space to develop practical skills as well as carbon and water sinks as a natural barrier to flooding.	
148	Its ridiculous this is even being questioned for a cancer hospital	5/16/2020 9:57 AM
149	This is a beautiful meadow in the middle of whitchurch much needed for community to walk around good for well being mental health. We must protect our green spaces from developers we have so few left in Cardiff . Traffic is already horrendous on Park road up to Coryton . This will increase pollution and congestion when cardiff council should be decreasing it always! Crazy proposal putting money over peoples lives!	5/16/2020 9:43 AM
150	It is sickening that these changes have been proposed.	5/16/2020 9:20 AM
151	There is plenty of brown belt areas in south wales that can be used for development. It is a shame that the ecology will be lost or distured	5/16/2020 9:13 AM
152	This is a crime, the building on that site will be hellish for all local residents and should actually be an action that is criminalised. Build on brown spaces and stop killing the natural world and murdering our wildlife.	5/16/2020 8:58 AM
153	Although I have never been there there is too much development going on in the area and green spaces are being lost everywhere	5/16/2020 8:19 AM
154	In favour of the hospital but unhappy where it is going to be and the damage to a natural environment	5/16/2020 8:14 AM
155	Surely there is another way. I'm not against Velindre, but feel loosing the meadows will negatively affect a lot of people's physical and mental health and well-being. Please think again!	5/16/2020 7:48 AM
156	Not against building of new cancer centre, but surely a different site could be found eg the old Whitchurch hospital which is being allowed to crumble away. Easy access to that site from the main road.	5/16/2020 7:29 AM
157	We should be doing our best to keep these pockets of green in our communities once they've gone we'll never get them back. Shame on the developers !!!!	5/16/2020 7:26 AM
158	It's a hidden gem in a busy town. Great to escape from city life with all of that nature.... Why destroy it?	5/16/2020 7:10 AM
159	I wish they could have used the Whitchurch hospital site instead. We need our meadows and green spaces for all of our well-being. Cardiff already has terrible air quality and this is so sad. I fully support velindre but this plan is not right	5/16/2020 6:54 AM
160	North Cardiff is lacking in parks and large areas of nature and wildlife to explore as it is. The meadows are very special for children to learn, explore and thrive safely and in peace	5/16/2020 6:52 AM
161	No need to lose this green space in our village/city. There are alternative options that should be revisited instead	5/16/2020 6:44 AM
162	Why? Use the hospital grounds instead	5/16/2020 2:02 AM
163	Totoally opposed to development on this land. Plenty of other places available without the destruction this would cause.	5/16/2020 1:10 AM
164	There are MANY brownfield sites within a few miles that must be developed over the northern meadow. I am not against the much needed development of Velindre but it must not be here. Please consider other sites	5/16/2020 12:11 AM
165	I love the meadows and they are essential to all our wellbeing	5/15/2020 11:50 PM
166	Its a beautiful area. Please protect it. Every city needs a green area.	5/15/2020 11:04 PM
167	It would be a real shame to lose an area that is vital to the wellbeing and health of the community, as well as the impact on the wildlife that is there.	5/15/2020 10:54 PM
168	There is a strong clinical argument against the project as well as environmental. You won't have to look hard to find Oncologists opposed to the proposals, as radiotherapy and new cell treatments become more advanced and more cancers are treatable then proximity to critical care is essential. Therefore a cancer centre away from a major hospital even a few miles is potentially a real challenge to the viability of the model. The proposed new UHW is the obvious solution. I'd also think about the proposal, it's 9 nuclear bunkers that are to be built-that's what radiotherapy is.	5/15/2020 10:47 PM

169	I understand and appreciate some people do not agree with development, however I believe the incredible support we will get from Velindre is more important. The current site is not environmentally friendly, and the new building can be sustainable and reduce air quality issues (as outlined in people's protests)	5/15/2020 10:27 PM
170	When my husband died of cancer, despite immense support from family and friends, the I walked the meadowlands constantly and it was one of the things that calmed my troubled mind. Now 2 years later walking it with my dogs it still has the same magical effect if calming my mind and allowing me to go on with life.	5/15/2020 10:22 PM
171	The development should be stopped and a brownfield site identified	5/15/2020 10:15 PM
172	Velindre Hospital is important and i would think most of us have known of someone who has used the facility BUT the meadow is a vital amenity. Adjoining the site is an estate of flats, the residents do not have the privilege of gardens so use the meadows, the railway cutting and Lady Coryton triangular field as an outside space. The hospital should be built on a brownfield site or the existing Whitchurch Hospital should be utilised. The meadows provide a beautiful nature sanctuary, with fresh air and lovely walks that help me with my mental and physical health. The walk to the meadows is short so is accessible to the majority of people. Without the meadows residents will have to drive to another area to access nature, which surely goes against all the attempts to stop people using cars.	5/15/2020 9:55 PM
173	It's not just the meadows it's the disused railway line and Lady Cory field. Concern that a 700+carpark is being built so close to the broadleaf Longwood which is part of the SSSI.	5/15/2020 9:44 PM
174	It is public land which ought to be kept for the majority of the public. It's essential to keep places like this for the future	5/15/2020 9:40 PM
175	Not sure how much access I will lose.	5/15/2020 9:26 PM
176	This is green space vital to local residents always a steady flow of visitors throughout the day whenever I visit at various times	5/15/2020 9:18 PM
177	Love this place and would be sorry to lose it. Not against the new cancer hospital but it should be built on the old Whitchurch Hospital site.	5/15/2020 8:33 PM
178	I only recently discovered this hidden gem and was due to share it on an organised walk for 12 friends at the end of March but this was scuppered by the lockdown.	5/15/2020 8:33 PM
179	Use brownfield	5/15/2020 8:25 PM
180	There are other means of extending Velindre without using the meadows	5/15/2020 8:20 PM
181	There are other spaces that could be used (Whitchurch hospital site currently derelict, current celibate location) and the carbon capture is as important to health as a new hospital. Given the climate emergency green spaces need to be preserved, especially given the biodiversity of the meadows	5/15/2020 8:14 PM
182	Children do not have the freedom they did when I was a child to use the space, there are green spaces and wildlife havens in Cardiff. I believe the need for a new velindre hospital outweighs the need for the meadows and it is unrealistic to build in the old whitchurch hospital site. This is a good accessible location for the hospital. I do think construction traffic should be from the Northern retail and industrial route and not through the residential areas.	5/15/2020 7:50 PM
183	WHITCHURCH hospital is a brown field site that can be used for a new Velindre Hospital regardless of the fact it is a valuable saleable asset to the health that will be sold for housing and profit.	5/15/2020 7:34 PM
184	It will be a nightmare for traffic. Why can't the area where Whitchurch Hospital is instead of destroying the nature so close to Cardiff	5/15/2020 7:29 PM
185	This area is an important area for wildlife, plants etc and for residents. Utilisation of brown sites would be preferable.	5/15/2020 7:24 PM
186	This is a cynical property development. There's plenty of room at Whitchurch Hopsital for the cancer unit	5/15/2020 7:22 PM
187	I'm devastated we may lose such an important area to north Cardiff, where wildlife can be enjoyed, but my children may never get to know the place. Not to mention there may be adverse effects on the diversity of wildlife in forest farm. When we need calm, and nature more than ever there are plans to destroy this amazing habitat.	5/15/2020 7:18 PM
188	Too many green spaces are being lost to development at a time when all the scientific evidence points towards the need to conserve green land and trees to support against	5/15/2020 7:14 PM

	climate change. Old, tired housing in the city should be reconditioned and sold on rather than building new houses	
189	These meadows have so much biodiversity and there is a specific need to protect this space. It is unique and it would be such an own goal to develop it.	5/15/2020 7:04 PM
190	This is not a suitable site for the new Velindre cancer hospital. Green space should not be used and lost.	5/15/2020 7:01 PM
191	We need all these spaces they are getting less and less, and at the moment we can see how important places like this are available for everyone	5/15/2020 6:50 PM
192	Wildlife is great but not worth losing one life over it !! difficult and wish it was possible somewhere else to build, but a cancer hospital is needed. I wish the people against this were as passionate about getting rid of cancer for ever. NOT WORTH ONE LIFE !!!!!!!!!!!!!!!!!!!!!	5/15/2020 6:40 PM
193	I went to the meetings 2 years ago. I would prefer the development to happen on a brown site	5/15/2020 6:38 PM
194	The addition of the hospital on this site will Mean life changing treatment for those with cancer.	5/15/2020 6:38 PM
195	I feel very strongly that this needs to be kept as a wildlife haven plus it helps the Welsh Government decarbonisation agenda and targets	5/15/2020 6:16 PM
196	I think that the development of the Northern Meadows will be a great loss to the quality of the air in that part of North Cardiff. There will now be many more opportunities for developing a cancer reserach centre. I t could even be in the city centre in one of the vacant department stores. It would also then bring people into the centre of Cardiff.	5/15/2020 6:03 PM
197	A complete disaster for this wonderful space which is presently available to everybodysisa Ayer this wonderful	5/15/2020 5:41 PM
198	Far too many to express on here, will do so separately. I have already submitted a number of objections to the plans and proposals throughout the planning phase	5/15/2020 5:41 PM
199	My family and I would be devastated if we lost the meadow.	5/15/2020 5:40 PM
200	Horrified	5/15/2020 5:38 PM
201	Should redevelop Whitchurch hospital or Velindre sites themselves rather than remove yet another green area within Cardiff.	5/15/2020 5:36 PM
202	I understand the need for Velindre to expand but I do not agree that this should be done by sacrificing most the northern meadows	5/15/2020 5:34 PM
203	Why not demolish whitchitch hospital before it falls down and use that space	5/15/2020 5:31 PM
204	I urge that this development is placed elsewhere. It would be catastrophic to lose the meadow - it is one of the few areas that has been left to nature and has evolved to allow such great biodiversity . Look elsewhere to build the much needed cancer centre explanation - no one in Cardiff believes this is an either or . Preservation of the meadow and finding a suitable alternative site for the cancer centre can be achieved if there is a shared desire from all parties to find a solution . It is a shame that the site of the BBC studios is going to be used for yet more housing - That site would have been a better use for the cancer centre by more housing	5/15/2020 5:29 PM
205	once gone it can never be recreated & if our current situation teaches us nothing else, it teaches us to respect nature.	5/15/2020 5:25 PM
206	The destruction to the wildlife there would be criminal. This space needs to be kept as it is for future generations. Escapism. It was left to the people of cardiff to enjoy - hands off!	5/15/2020 4:41 PM
207	It's a wonderful free resource for the whole family. Children can learn about nature over the seasons, and in winter go tobogganing down the gentle slopes of the meadow (assuming we have snow of course)	5/15/2020 3:00 PM
208	It is part of a much larger area adjacent to the Taff trail & forest farm. Whitchurch residents will still have access to plenty of green space	5/15/2020 2:57 PM
209	Prior to the COVID-19 pandemic I was in favour of the development but I am now convinced that we cannot afford to lose this vital area both as a habitat and as a place for people to maintain their health. We are all supporting the NHS at this time. It seems reasonable that the NHS acknowledge that by protecting this area from development.	5/15/2020 2:34 PM
210	We do not need more housing! Stop taken away the green land we bearly have any as it is	5/15/2020 2:20 PM

211	I think that green space should be protected. People need places to walk and enjoy locally rather than having to drive to a 'quiet place'. It is an amenity are enjoyed by many residents and the loss of this area will bring a loss of amenity and enjoyment.	5/15/2020 1:28 PM
212	This area of Cardiff is poorly provided with green space, which is vital for our wellbeing. Biodiversity crisis-new development should be on the old hospital site or elsewhere. Construction phase will be horrendous for residents.	5/15/2020 12:06 PM
213	The proposal is complete madness and I'll conceived.	5/15/2020 11:37 AM
214	We are already losing a lot of Green space due to development. With all the homes being developed we have lost plenty of our nature, its about time the council took stock if tjr wonderful surrounds of cardiff and stop concreting everything. If this plans go ahead, future generations will miss out on its beauty and Cardiff city council will regret its choice. Its NOT all about tje money.	5/15/2020 11:01 AM
215	This proposed development will impact hugely not just on the wildlife and its environment but on the residential area and surrounding local environment.	5/15/2020 10:32 AM
216	Whilst the hospital is an important addition to the health service, I think the site chosen is poorly thought out, and driven by finance rather than looking at the holistic picture. The area cannot support the whole infrastructure associated with building in this site. I would rather the planners looked again at redeveloping the existing Whitchurch hospital site which is currently unused and falling into disrepair.	5/15/2020 10:09 AM
217	The access road from asda is unnecessary and like the failed llanishen reservoir development out of place	5/15/2020 9:47 AM
218	Velindre Hospital desperately needs to be rebuilt . As it provides a service to people living outside Cardiff as well as to Cardiff residents it needs to be accessible to everyone. The Meadows is a well placed site for a new hospital as it is near the M4 and A470. Not that many people in Cardiff other than people living near know about or use the Meadows and I would rather see the site used for a specialist Cancer hospital to benefit thousands of people than it be left for the benefit of a few NIMBYS	5/15/2020 9:25 AM
219	Personally I think it would be a tragedy to spoil this beautiful area, also there would be a knock on effect to the surrounding wooded area and canal, all places dear to me. How will the area cope with all the extra traffic and pollution. HEARTBREAKING	5/15/2020 9:16 AM
220	There are plenty of other options in and around Cardiff to build such a vital necessity. Which I wholeheartedly support. However this area is important to retain also for future generations and nature which we have realised even more since having Coronavirus surround us and dictate our daily lives!	5/15/2020 9:15 AM
221	This absolutely must not go ahead: it's a place we have visited for 40 years+ and is unique.	5/15/2020 9:11 AM
222	I am all for the new hospital but not on our meadow. Plus Lady Cory field was left to the people. The people want to be able to use this space. We picnic in the summer and build snowmen in the winter. We do not want it destroyed!	5/15/2020 9:05 AM
223	There are plenty of other places to build other than on the Northern Meadows	5/15/2020 8:49 AM
224	I'm not against development but I am totally appalled this precious wonderful space full of nature and space which is so vital for well being is proposed when there is a site of former disused hospital which should be demolished and used instead	5/15/2020 8:42 AM
225	There is a perfectly good site (old whitchurch Hospital) which is now derelict that the new hospital could be built on right next to the Northern Meadow	5/15/2020 8:39 AM
226	Urban green spaces like the meadows are fundamental in the fight against illhealth. There are research out there that shows the impact of green spaces in the reduction of cancer, mental health and all other sorts of noncommunicable disease. Getting rid of green spaces is not only detrimental to nature and the environment but also to our health (which is all linked anyways). The way to beat cancer is to keep spaces like this and invest in health prevention!!! The research speaks for itself.	5/15/2020 8:33 AM
227	The new facility should make use of the Whitchurch Hospital site or elsewhere in South Wales where land is cheaper and more accessible. Traffic is already beyond the highway's capacity and the local community can't sustain any more - particularly with the likely increase following Covid19. We're not against the facility, it just needs to be built in the right location.	5/15/2020 8:33 AM
228	In growing up I had the benefit of this being available to us as kids. Why should future generations not have the same access to open space and countryside. I also do not believe for one minute that this area of land in the whole of the South Wales area is the most cost	5/15/2020 8:26 AM

	effective place to build this. It is a shocking decision which is being forced to make it work for the sake of profiteering.	
229	I cannot understand why this beautiful place will be lost, along with the pressure of extra traffic upon Whitchurch, an area which already suffers from huge traffic pollution.	5/15/2020 8:21 AM
230	Appalling decision making from planners to destroy a natural habitat when they have cited an emergency climate crisis. There are more suitable brown field sites available. The entire situation reeks of corruption. They are waiting for the listed buildings to decay to a dangerous level (or arsoned) in order to knock them down and make a massive profit selling the land for housing.	5/15/2020 8:20 AM
231	There is a hospital ground currently empty, going to ruin but we're told the only option is the build on the meadows? Appalling when you consider the knowledge and data we have now about the importance of nature.	5/15/2020 8:19 AM
232	As I live right next to the meadow me anf my family use it alot and also Id hate to see another wildlife area to be ruined for something that can go elsewhere like the old mental hospital grounds that's a huge eyesore an needs to be demolished	5/15/2020 8:15 AM
233	I actually stopped going to the meadows after the work crews left it practically inaccessible 2 years ago while testing the earth. They had very very little care for the environment and surrounding area, they left the whole beautiful field, home to much wildlife, little more than a bog. A mud field. If this was an insight into how the land will be treated going forward, then the developers and workmen should be thoroughly ashamed of themselves for their lack of care. It's only now that wildlife has started to return to the field	5/15/2020 8:06 AM
234	In my opinion, the hospital should be built on a brown field site.	5/15/2020 8:05 AM
235	Especially during lockdown this has been a life line	5/15/2020 8:02 AM
236	It's pure greed driving this development. The proposals fundamentally goes against Welsh Gov green agenda, Cardiff Council's LDP principles, transport, congestion and air pollution commitments. This meadow has saved many peoples mental health and ability to exercise during lockdown. to destroy it when there are other spaces fit for the hospital is ludicrous and despicable	5/15/2020 7:58 AM
237	The hospital should be built out of a busy area like Whitchurch and on a brownfield site	5/15/2020 7:51 AM
238	its horrendous that we will lose the meadow and its wildlife very very upset	5/15/2020 7:45 AM
239	Better than houses	5/15/2020 7:35 AM
240	no development of any kind	5/15/2020 7:23 AM
241	Although I support the building of a new cancer treatment hospital, i believe this could be done on a brown field site	5/15/2020 7:20 AM
242	Cardiff is a wonderful city. But we all need green spaces for our health and wellbeing. Losing this would be devastating. I understand the need for development but cannot for the life of me understand why you would choose this beautiful green area.	5/15/2020 7:18 AM

Q7 Should the Northern Meadows become a part of the adjacent nature reserve to be protected from any future development?

1	That's a idea!	7/8/2020 11:09 AM
2	Definitely.	7/7/2020 2:28 PM
3	If this would save the meadows yes	7/1/2020 8:50 PM
4	Our natural spaces need to be protected in any way that we can	6/27/2020 2:21 PM
5	It makes complete sense and is in keeping with current legislation	6/20/2020 12:47 PM
6	Absolutely!	6/19/2020 4:11 PM
7	If that's the best way of saving them!	6/16/2020 10:26 PM
8	Absolutely	6/16/2020 4:04 PM
9	Definitely. Whitchurch needs green spaces. There is no where else to walk to.	6/15/2020 11:04 PM
10	This beautiful, unique place needs to be protected and with it all the life it shelters.	6/15/2020 6:48 PM
11	We must not lose our green land .	6/15/2020 6:23 PM
12	I thought it was!!!	6/15/2020 5:52 PM
13	It would be devastating to lose this wonderful space for nothing more than financial gain.	6/15/2020 5:34 PM
14	I truly hope that a brown site will be used for as many future developments as possible. We need to look after our mental health.	6/15/2020 5:16 PM
15	I often use this space in conjunction with the woods and canal. During this pandemic though I haven't felt safe using the Taff Trail, canal or woods, as social distancing has been impossible.	6/15/2020 3:54 PM
16	Absolutely yes! Whatever happens on the meadow will impact negatively on the reserve. It also has a large heronry on the meadow which will inevitably be destroyed should a development go there.	6/15/2020 1:51 PM
17	Always thought it was!!! It's always been noted on the Glamorganshire board which is at one of the entrances to the forest farm... Near the birdhides at forest farm along behind the Amersham lane to the forest farm allotments.	6/15/2020 12:17 PM
18	Wake up and stop giving in to people who see no value in nature.	6/15/2020 8:35 AM
19	Anything to help protect the meadows is worth doing	6/14/2020 12:00 PM
20	What else can we do to make this happen?	6/14/2020 7:59 AM
21	Absolutely, it's the will of the local people	6/13/2020 12:48 AM
22	100%	6/12/2020 5:56 PM
23	It makes sense to combine the Northern meadows with the current forest farm site and maintain its protected status.	6/11/2020 6:30 PM
24	Yes! So many people use this space and it should be protected.	6/11/2020 12:07 PM
25	On my longer walks I walk down the canal by whitchurch rugby club, through the nature reserve and cut up to the meadows then through asda. It's a 4.5k circular trip.	6/11/2020 8:09 AM
26	Absolutely. It needs protected status. Green spaces such as this are absolutely vital to Cardiff. As well as being an important wildlife habitat, it brings many benefits to residents including to their physical and mental wellbeing.	6/10/2020 8:04 AM
27	It's folly to build a larger hospital here or housing the infrastructure is lacking in the area the roads are inadequate & support services at capacity. Post lockdown the dire economy may result in these proposals being shelved	6/9/2020 11:04 PM
28	Totally protected	6/9/2020 8:47 PM
29	Absolutely yes. Once it's a reserve then it can be protected, great idea.	6/9/2020 5:20 PM
30	I am not sure of the current situation and able to comment on what would be best. However being able to protect the space from development I assume would be a priority.	6/9/2020 5:08 PM
31	Deffinatly	6/8/2020 8:04 PM
32	It should be protected. It's value should not be underestimated.	6/8/2020 7:17 PM

33	It is integral to the surrounding woodland and is part of the natural habitat of diverse species of flora and fauna . Nature does not recognise boundaries and the meadows have blended with the reserve to become a single ecosystem that is unique to Cardiff.	6/2/2020 8:13 PM
34	To be honest I thought it already was!	6/1/2020 11:20 PM
35	Very concerned at condition of old whitchurch hospital, just left to fall apart with no clear future plan?	6/1/2020 9:01 PM
36	The recent lockdown has demonstrated how important places like the meadows and nature reserves are to the well-being of local residents.	5/29/2020 12:56 PM
37	The meadows lie entirely inside the nature reserve, it is the only correct answer. Protect the entire area, enable the wildlife to freely live and move around the space. It would remain a beautiful place, it would raise Cardiff up to embrace what it already owns, what the people already appreciate, without allowing development and short-term profit for a minority to steal what will always provide pleasure and temporary escape for so many people.	5/29/2020 7:21 AM
38	Most definitely !!! It must be protected . A human life is a speck in time whilst a place like this lives forever !	5/28/2020 8:56 PM
39	Only opposed due to concerns with dog walking and restrictions that may bring. We don't walk the dog off the lead on the canal for that reason.	5/28/2020 7:54 PM
40	the bigger the wildlife corridor, the more resilient will the protected species be, and all the better for visitors to have a bigger area to enjoy and be rejuvenated in it.	5/25/2020 2:15 PM
41	The whole area should be one large nature reserve	5/25/2020 12:58 PM
42	Wildlife in the reserve depend on the associated meadows. There are many wildflowers and orchids growing in the meadows and young oak and ash trees.	5/24/2020 8:51 PM
43	I thought it was	5/24/2020 9:41 AM
44	Protect our green spaces for now and future generations	5/22/2020 11:28 PM
45	It's a perfect contrast to the woods and the interaction between the two ecosystems is incredibly important	5/22/2020 11:58 AM
46	Once we lose these wonderful wildlife areas we can never get them back, they are priceless and we all need to fight for them to be preserved	5/22/2020 10:59 AM
47	Absolutely needs to be protected from future development	5/22/2020 9:17 AM
48	We always assumed it was and had we realised that it would come under threat we certainly would have taken steps to get it to become part of the reserve.	5/22/2020 2:25 AM
49	It makes sense	5/21/2020 12:08 PM
50	Definitely	5/21/2020 7:51 AM
51	We need these spaces to encourage walks and play for children- these areas are priceless to local people.	5/21/2020 7:48 AM
52	This seems logical and obvious	5/20/2020 9:43 AM
53	Yes it should always have been considered as one.	5/19/2020 11:53 PM
54	We need to keep our green space, use the old whitchurch hospital site instead	5/19/2020 5:29 PM
55	I don't know enough to comment meaningfully on this.	5/19/2020 9:18 AM
56	The whole area is an essential wildlife corridor along the Taf. Take it away and you create a disproportionate effect on habitats and devalue what's left by breaking the link and isolating remaining habitats.	5/19/2020 7:37 AM
57	Absolutely! Green spaces must be protected at all costs! The Cardiff now and then pages on Facebook show so many of the old landmarks of Cardiff that have been lost e.g. Glamorganshire canal, greyfriars friary, just to name a few! We can't keep losing essential spaces	5/18/2020 9:17 PM
58	The existing nature reserve will be so squashed in that it will end up not being sustainable for the wildlife	5/18/2020 7:51 PM
59	The canal, the meadow and the disused railway line should all become part of the Forest Farm Nature Reserve.	5/18/2020 5:42 PM

Proposed Development of the Northern Meadows Feedback Survey

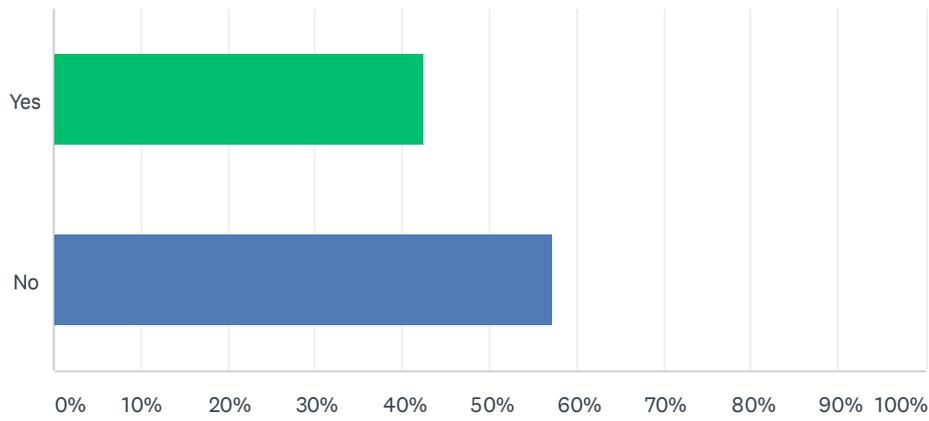

SurveyMonkey

60	Absolutely	5/17/2020 10:58 PM
61	It is an unique and breathtakingly lovely area. Irreplaceable and invaluable.	5/17/2020 5:48 PM
62	stop building on this area	5/17/2020 10:51 AM
63	We must preserve green spaces at all costs for the flora and fauna and the wellbeing of the people of North Cardiff	5/17/2020 8:47 AM
64	There is so much building going on in Cardiff, we need preserve this beautiful location	5/16/2020 11:03 AM
65	It is vital we protect our 'green' spaces for everyone's benefit. Linking the meadows to the nature reserve would create a larger area which brings more diversity.	5/16/2020 10:30 AM
66	Most definitely.	5/16/2020 8:44 AM
67	Great idea to protect & preserve	5/16/2020 6:44 AM
68	Once green space is lost, it is lost for all generations.	5/15/2020 11:57 PM
69	To protect this wonderful meadow for future generations	5/15/2020 10:15 PM
70	There are precious few of these meadows left that are accessible. They provide clean air and a haven for the wildlife that the human race seems determined to eradicate. The future of these places are in our hands and can never be found once they are lost. I for one do not want to have to explain to future generations how we lost such precious resources. This is something that our future generations commissioner should be all over, protecting green spaces for our children and descendants.	5/15/2020 9:55 PM
71	It protects the nature reserve. If becoming part of it protects them yes.	5/15/2020 9:40 PM
72	Absolute6	5/15/2020 9:18 PM
73	As above	5/15/2020 7:50 PM
74	This are is an important facility for future generations	5/15/2020 7:22 PM
75	See above	5/15/2020 7:18 PM
76	If possible with the new Velindre there	5/15/2020 6:40 PM
77	There are a good number of young plus healthy oak trees here. With the loss of our ash trees and sickness amongst many older oak in arable land around Cardiff. This will be a great loss. Together with the biodiversity of the area which has increased greatly since the surveys were undertaken in 2017.	5/15/2020 6:03 PM
78	It is an essential asset to the community and forms part of the natural heritage of this part of the capital city of Wales	5/15/2020 5:41 PM
79	Absolutely the meadow is critical to the wellbeing of both current and future generations within Cardiff.	5/15/2020 5:40 PM
80	Absolutely	5/15/2020 5:29 PM
81	It should be developed as part of velindre cancer hospital	5/15/2020 2:57 PM
82	Especially as the nature reserve expects to lose the railway cutting in the near future.	5/15/2020 2:34 PM
83	The northern meadow should be protected as it is a place of enjoyment for so many walkers and residents. The areas cannot be replaced and should be protected ted for future generations to enjoy.	5/15/2020 1:28 PM
84	We need to protect all of our untouched nature areas. Once we lose them theres no getting them back	5/15/2020 11:01 AM
85	If this allows it to be protected from any proposed future developments then yes.	5/15/2020 10:32 AM
86	The nature reserve is fine as it is .There is nothing remarkable about the meadows to warrant it being assimilated into Forest Farm	5/15/2020 9:25 AM
87	Without a doubt!	5/15/2020 9:05 AM
88	We need to preserve these areas	5/15/2020 8:39 AM
89	Yes, because any disturbance to the Meadows will impact directly onto the Nature Reserve	5/15/2020 8:33 AM
90	Use brown sites. Use the old Whitchurch hospital if necessary.	5/15/2020 8:21 AM
91	100%. How can an area on its doorstep not?	5/15/2020 8:19 AM

92	Absolutely. Without a doubt. It is our green land, and we should be proud of our ever decreasing open green space. To name one benefit, it increases the air quality, and I think with such a huge focus on pollution and "eco living" right now, it speaks volumes when our green spaces are protected and not demolished and destroyed. Think of our future. There's plenty of currently in use land (Whitchurch Hospital) that can be utilized	5/15/2020 8:06 AM
93	Definitely,	5/15/2020 8:05 AM
94	It was going to be but local residents wanted to stop any development on the whitchurch hospital site and it was lost at a planning enquiry so it's their fault it's not part of the nature reserve	5/15/2020 7:35 AM
95	It used to be a field of horses	5/15/2020 7:34 AM
96	we will fight for this	5/15/2020 7:23 AM
97	Definitely	5/15/2020 7:18 AM

Q8 Are you or close family member either a current or past patient of Velindre?

#	ANY ADDITIONAL COMMENTS?	DATE
1	I work in Velindre	7/11/2020 7:06 AM
2	I did work experience there whilst in college & Unfortunately know many people that have experienced it's service.	7/8/2020 11:09 AM
3	I'm not, but my mum has had cancer and my dad was a specialist cancer nurse. Neither of them want this development to go ahead. There are other much better ways of safeguarding and improving cancer care, as has been shown by Dr Roberts's open letter.	7/7/2020 2:28 PM
4	My mother was treated there for cancer. She sadly passed away.	6/27/2020 2:21 PM
5	But we currently have several close friends who are currently patients there. Of course I or my close family may be patients in the future.	6/22/2020 11:38 AM
6	I also worked there and appreciate the need for improved facilities. I also know that the new build could easily be accommodated on the existing old Whitchurch Hospital site and Velindre car park. What I envisage is four years of local upheaval and then further developments as the old Whitchurch Hospital and current Velindre sites are sold off for development - with no improvements to the infrastructure.	6/20/2020 12:47 PM
7	I have close friends who have been past patients at Velindre. They do a fabulous job and their service is invaluable. There is Whitchurch Hospital site just waiting to be put to good use, why destroy a valuable local nature site?	6/16/2020 8:12 AM
8	Both family & friends have been treated at Velindre & my mother was a WRVS volunteer until she was replaced with a coffee machine.	6/15/2020 5:52 PM
9	My father, who died from cancer, loved the parks and meadows, and other nearby green spaces. They were "free" to all. He would be very sad Denny the proposal to ruin these meadows, and the affect this will have on wildlife and future generations. We are ruining our own health and the livelihood of future generations.	6/15/2020 5:16 PM
10	My sister has benefitted by the excellent work at Velindre Hospital, so I know how important a Cancer Hospital is but a new hospital can be located on a brown site	6/15/2020 4:19 PM
11	My mother was treated at Velindre. She loved nature so if alive would likely have objected on the location proposed.	6/15/2020 4:16 PM
12	My mother is receiving treatment for stage 4 cancer when she has died and meadows are gone it will be beyond awful for me	6/15/2020 2:12 PM
13	My father in law just completed radiotherapy there.	6/15/2020 12:17 PM
14	They need to find a more suitable (brownfield) location to build the new hospital.	6/14/2020 7:59 AM
15	What about other health conditions?	6/13/2020 12:48 AM
16	My mother.	6/12/2020 5:56 PM
17	.	6/11/2020 6:30 PM
18	Velindre has supported members of family for years. It's also where many family members and friends work	6/11/2020 12:07 PM
19	It's not about the hospital, of course we need hospitals. But not on the only remaining bit of open land . The planning permission was given long before the developments on llantrisant road, Radyr siding etc..	6/10/2020 8:09 PM
20	My grandmother died of breast cancer at Velindre. My father died of lung cancer. I did research in a Cancer research institute. I am fully fully in favour of a new facility. But not on the meadows.	6/10/2020 8:02 PM
21	Several friends have been treated at this wonderful hospital. I do back its modernisation and expansion but do not believe the meadows should be destroyed to provide an access route. Other options are available.	6/10/2020 8:04 AM
22	The hospital has outgrown its capacity it requires to be away from residential & natural environment. Built in the 1950's when current demands could never had been foreseen	6/9/2020 11:04 PM
23	My Mother In Law is receiving treatment for cancer . But for me this has nothing to do with that . Should not build on that beautiful area	6/9/2020 8:47 PM
24	But my mother had breast cancer and I'm aware it's a big concern for people.	6/9/2020 5:20 PM
25	Friends of mine are recent patients	6/9/2020 11:58 AM

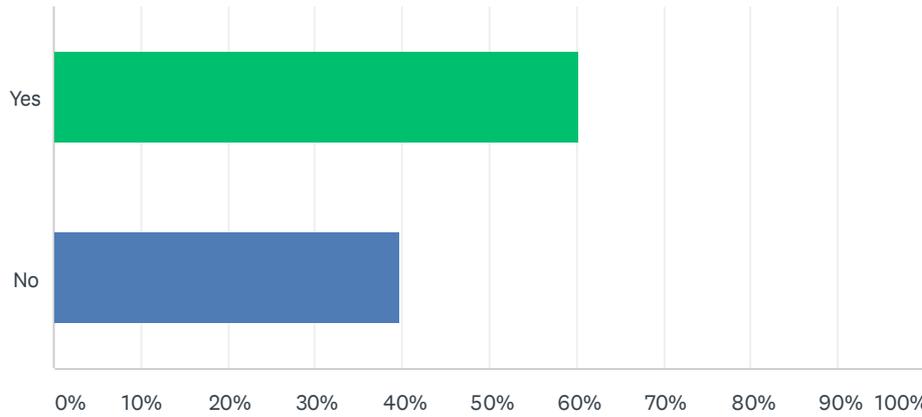

26	However I lost my mum to cancer and and very pro velindre just think they need to build it somewhere else	6/8/2020 8:04 PM
27	My father was a patient	6/5/2020 6:07 PM
28	But as mentioned above i have had cancer and could well be using the service in future	6/3/2020 8:49 AM
29	Both of my parents were treated for there cancers at llandough hospital. To be brutally honest that's not relevant. There is enough room on that site to accommodate any structure they may need. This is about making money from building houses on the old site. Plain and simple money chasing.	6/1/2020 11:20 PM
30	A close friend was successfully treated at Velindre. I experienced this treatment in a supporting role. In my experience the location is relatively unimportant, the patient wants good facilities, caring staff, all that Velindre already provides, but once the treatment is completed, and this is typically within an hour, once completed they just want to go home, there is no need to destroy a wildlife haven. Most patients, as described by Velindre itself, just want to be treated at home, or very close to home.	5/29/2020 7:21 AM
31	My mother died of cancer on Boxing Day 2005 . I looked after her at home . My brother had bladder and bowel cancer . My brother in law suffers with prostate cancer for the last 5 years .	5/28/2020 8:56 PM
32	My dad benefited from prostate cancer treatment there, they were so supportive, and we appreciate that the facilities need investment and expansion. But my dad was from a farming family in Pembrokeshire before coming to Cardiff for his career, and the biggest therapy during his 20 years of living with cancer was going for local walks in green spaces with trees. He would be a part of the campaign of save the meadows if he were still alive, while also encouraging the redevelopment and expansion of Velindre on a previously built, brown field, site.	5/25/2020 2:15 PM
33	My brother and brother in law were patients there.	5/24/2020 8:51 PM
34	Prevention is better than a cure - its common sense. Destroying where people undertake exercise is insane	5/23/2020 4:51 PM
35	Sister and father treated for cancer	5/22/2020 11:28 PM
36	It is not the centre I object to just the positioning of it, there is plenty of suitable land just waiting to be used so why use the meadow and all the extra costs it entails	5/22/2020 2:25 AM
37	But I have friends who are	5/21/2020 2:18 PM
38	I am a patient but i am also a resident of Whitchurch	5/21/2020 12:08 PM
39	My Grandad was treated there- it is a fantastic hospital. My Son is a Young Ambassador for them raising lots for the hospital.	5/21/2020 7:48 AM
40	Ive known people who've been but the new location isn't right being in nature, alternative place with better links to traffic would be more ideal.	5/20/2020 2:18 PM
41	I appreciate a new hospital is needed but use the old whitchurch hospital site instead	5/19/2020 5:29 PM
42	I work at Velindre though.	5/19/2020 1:52 PM
43	I don't essentially feel that this is relevant as a question, I think 1 in 2 people will develop cancer and state of the art cancer services are definitely needed, just not in Greenfield sites	5/18/2020 9:17 PM
44	I am however a cancer patient (recent bowel cancer). Being able to spend time in the Northern meadows is an important part of my recovery.	5/18/2020 2:30 PM
45	Understand how vital Velindre is but also feel the Meadows are just as important to wildlife	5/17/2020 10:58 PM
46	Mother Father and brother all past patients of Velindre.	5/17/2020 8:31 PM
47	Yes and have fundraised for Velindre. Huge respect for this centre of excellence, but it does not justify destroying wonderful wild places.	5/17/2020 5:48 PM
48	Our friend is currently under Velindre, and even she opposed this decision. We are more than grateful for a new hospital, but feel the route taken is extremely unnecessary.	5/17/2020 10:51 AM
49	had a family friend who was under velindre and even they are strongly against meadow development	5/17/2020 10:51 AM
50	I have a close friend who is.	5/17/2020 8:41 AM
51	no but we have strong links with cancer patient	5/16/2020 6:38 PM

52	This isn't about the hospital, it's about the mis use of a green site	5/16/2020 3:09 PM
53	Velindre is wonderful but there must be a way around this loss .	5/16/2020 11:52 AM
54	My father receives fantastic treatment there and I welcome a new hospital, however other sites should be considered	5/16/2020 11:36 AM
55	My sister had to travel from Bridgend to receive care for breast cancer. This was challenged by for her. Surely a more central area of South Wales would aid more of the population.	5/16/2020 11:27 AM
56	I would b happy to travel further away for any future cancer treatment personally.And what about people in other areas having to travel far?.Somewhere easier for everyone not just us	5/16/2020 11:11 AM
57	Yes we do need to upgrade the garage existing Velindre Hosp. We have Whitchurch Hospital rotting, instead of Velindre being built there	5/16/2020 11:03 AM
58	But my workplace do volunteer with velindre on a weekly bases	5/16/2020 9:20 AM
59	Dint see why velindre can't be built at Whitchurch hospital	5/16/2020 9:16 AM
60	Velindre desperately needs to relocate and provide for more patients. Human life must take precedence over the meadows if this is the only option for building. Obviously if another site can be found that would be preferable.	5/16/2020 8:21 AM
61	Velindre is of course a valuable and important facility and should be developed which would be perfect for the Whitchurch hospital site	5/16/2020 6:52 AM
62	My best friend is though	5/15/2020 11:57 PM
63	My father passed away at Velindre Hospital after a reasonably short illness. As much as there is a need for such a facility it should not be built on this site	5/15/2020 10:15 PM
64	I have had several close relatives who have been treated by Velindre. My Father, my Niece and my Sister in Law amongst others. I would never negate the work carried out by the staff or the facility but please please find another site.	5/15/2020 9:55 PM
65	A few family and friends have received cancer treatment. It's important to invest in the service I don't see why it should be on the meadows when there will be other options	5/15/2020 9:40 PM
66	My father, now deceased	5/15/2020 7:34 PM
67	I had cancer before moving into the area and appreciate the importance of extending the facilities.	5/15/2020 7:24 PM
68	I'm tired of this being for nature and against cancer care. My relative had to travel from Bridgend, everything is Cardiff centric, I can't believe there aren't brownfield sites which would be suitable	5/15/2020 7:18 PM
69	I am fully supportive of the new cancer centre - but this is completely the wrong place for it in terms of damage to the environment, transport links, pressure on the local area, etc.	5/15/2020 6:45 PM
70	My mother received wonderful treatment at Velindre and died there. I have great affection for it and was fortunate that it was so local. That still doesn't make this site appropriate.	5/15/2020 6:40 PM
71	ENOUGH SAID !!!!	5/15/2020 6:40 PM
72	I have an impartial view of this facility as a resident, born and bred in Whitchurch of 1952 vintage.	5/15/2020 5:41 PM
73	And it just that but I work in cancer research now and know the importance that Velindre has a new site . But not in the Meadows	5/15/2020 5:29 PM
74	I myself has had treatment for cancer there.	5/15/2020 5:26 PM
75	But many friends have been or are in their care.	5/15/2020 2:34 PM
76	Father had treatment there	5/15/2020 2:04 PM
77	I have had several friend's that have attended velindra and i have plenty of friends that work there.	5/15/2020 11:01 AM
78	Any family can be affected by Cancer at some time and should it happen to me or my family I would want to be treated by the most up to date equipment and specialist staff in accessible and pleasant surrounding s	5/15/2020 9:25 AM
79	My mother in law and many friends have used Velindre for treatment.	5/15/2020 9:05 AM

80	They are doing excellent work. It's not personal about Velindre or denying them a new space. It's about the right space for everyone. Building on lush green urban spaces that have proven links to improved health and wellbeing in order to cure cancer is nonsensical. It's such a paradox!!!	5/15/2020 8:33 AM
81	This is the worst possible outcome for The people of Whitchurch and the surrounding areas of north Cardiff. Leave some green spaces. If the recent pandemic has taught our generation anything it is that outside space is PARAMOUNT.	5/15/2020 8:21 AM
82	Nobody disputes expansion of cancer services or research. But the site is locked in and only accessible by very busy congested roads with massive parking issues	5/15/2020 8:20 AM
83	My Dad, my Nan, many friends, I also have friends who work there. Nobody questions that there may need to be a new hospital but surely there are other options (Whitchurch Hospital Grounds etc)	5/15/2020 8:19 AM
84	This isn't about stopping cancer services. It's about the site. I cannot accept the Whitchurch hospital site couldn't work for Velindre. They're being greedy and hundreds of houses on Whitchurch hospital site instead of a cancer hospital tells you that their driving force is not cancer patients or the community of Whitchurch but profit and greed.	5/15/2020 7:58 AM
85	my dad	5/15/2020 7:45 AM
86	Father in law was a patient a few years ago	5/15/2020 7:34 AM
87	for a new Velindre. just build it on brownfield	5/15/2020 7:23 AM

Q9 Do you know that the latest planning request is for >100 HGV movements per day for 4 years that will badly affect the local community's air quality and health?

#	ANY ADDITIONAL COMMENTS?	DATE
1	There is one road in & out of Whitchurch with a couple of spurs off it. As a Village it is buzzing with life, saying that Whitchurch itself is overcrowded with houses. The schools are bursting, don't forget we have the second largest school in Britain. And so have a huge amount of traffic every morning & end of school day.	7/8/2020 11:09 AM
2	That would be unbearable and completely contrary to what we as a planet should be aiming for.	7/7/2020 2:28 PM
3	Yikes!	7/1/2020 8:50 PM
4	I reapeat - bonkers to create an environment which will be detrimental to our health, with something to then treat our health. Just leave it alone!	6/27/2020 2:21 PM
5	Any development requires heavy traffic movement so this point is not the most important aspect of this campaign	6/23/2020 7:46 PM
6	This is totally unacceptable and will seriously impact children in Coryton Primary School for that hose years. It will obstruct traffic through Whitchurch Village and impact on the local GP surgery.	6/22/2020 11:38 AM
7	This traffic is on a major school route - the majority of Whitchurch and Coryton pupils walk to school	6/20/2020 12:47 PM
8	That fact in itself should have discounted the site years ago	6/17/2020 3:00 PM
9	Horrendous!	6/16/2020 10:26 PM
10	I find it unbelievable that this project is even being considered for such a location.	6/16/2020 4:04 PM
11	This is absolutely unacceptable	6/16/2020 9:02 AM
12	This is surely going against Cardiff's aims for its City to be a clean city. Why bother setting up loads of bike hires to reduce traffic and then agree for a development that will greatly add to pollution.	6/16/2020 8:12 AM
13	This would be a horrendous thing to happen! We must stop this now & save our green belt & conservation area ☐	6/15/2020 11:15 PM
14	Crazy that in this day and age of preserving the environment and protecting eco friendly strategies you want to do the complete opposite	6/15/2020 6:34 PM
15	This must not happen.	6/15/2020 6:23 PM
16	And this was NOT included in the model presented at Whitchurch Library.	6/15/2020 5:52 PM
17	Scandalous 😡	6/15/2020 5:34 PM
18	I cannot believe it is even being discussed. The whole idea should have been binned from the start. The fact that the land belongs to the health board is in direct conflict to the idea of looking after our health.	6/15/2020 5:16 PM
19	It's going to make it hard for people living near.	6/15/2020 4:16 PM
20	Apart from the noise, congestion, and air pollution, this will hamper people's ability to access this beautiful space.	6/15/2020 3:54 PM
21	And very close to primary school	6/15/2020 3:54 PM
22	This would be totally unacceptable. There is more than enough traffic along the M4 corridor as it is. We do not support this action.	6/15/2020 3:46 PM
23	Yes, and this is absolutely dreadful, given that traffic is already heavy in the Coryton/Whitchurch area.	6/15/2020 1:43 PM
24	While the construction time is a potential issue, I am more concerned about the long term effects of a large development in this area and the lack of provision of local facilities for such a development (particularly the likely use of the old site for housing)- schools, healthcare etc.	6/15/2020 1:04 PM
25	And this will negatively affect my family and our community	6/14/2020 11:46 PM
26	How can it not?	6/14/2020 2:07 PM
27	We all suffer from asthma already and are very concerned about this.	6/14/2020 7:59 AM
28	And how the pavements are too narrow, my children are worried As a cyclist I am worried My kids and dogs hate walking on the narrow pavements on pendywallt road. Impossible to	6/13/2020 12:48 AM

	pass in Covid without stepping on main road	
29	This will affect house pricing in the area when people have spent their life savings on their homes There is an empty, rotting building just down the road at Whitchurch Hospital which could be redeveloped and uses for Velindre instead of being left to waste	6/12/2020 10:37 PM
30	This is absolutely unacceptable.	6/12/2020 5:56 PM
31	Again unnecessary.	6/11/2020 6:30 PM
32	A total disgrace - the detrimental effect on the environment, air quality and pedestrian safety is beyond comprehension.	6/11/2020 3:47 PM
33	This is environmental injustice	6/11/2020 12:07 PM
34	The disruption from my house will be considerable and I am tempted to seek legal advice on this.	6/11/2020 8:09 AM
35	This is not acceptable in terms of the wellbeing of local residents or the damage to the nature and wildlife that will be harmed and destroyed.	6/10/2020 8:04 AM
36	The air quality in Cardiff is poor enough anyway. Further irony in that sick people visiting Velindre will be affected by this. The terrain of the meadows does not lend itself well for development hence the terrific disruption. This project has not been thought through. Fingers crossed funding dries up post this lockdown	6/9/2020 11:04 PM
37	This should be opposed and stopped.	6/9/2020 5:20 PM
38	It absolutely horrified me to hear that the impact that will have on the local environment and the local resident is criminal	6/8/2020 8:04 PM
39	Whitchurch has congestion problems and it looks like its going to get alot worse !!!	6/8/2020 7:10 PM
40	That is horrendous and should be more widely reported	6/3/2020 8:49 AM
41	This is an utter disgrace! Let alone traffic issue.....	6/1/2020 11:20 PM
42	If Whitchurch had a vote on setting up a community council like tongwynlais, then residents would have much bigger voice on these big developments. http://www.onevoicewales.org.uk/OVWeb/set_up_a_council-7458.aspx	6/1/2020 9:01 PM
43	This is completely unacceptable	5/29/2020 12:56 PM
44	Yes, I understand that, development inevitably involves heavy vehicles. With this site that is entirely enclosed by woodland it will probably require even more vehicles as the access is so difficult. Two huge bridges will have to be built first just to gain access for building!	5/29/2020 7:21 AM
45	Total catastrophic chaos !!!! Untold misery to residents nearby . Whitchurch Hospital already has an access road !!!!!	5/28/2020 8:56 PM
46	Aargh, my husband and daughter already suffer from asthma, no more heavy traffic in northern Cardiff, please	5/25/2020 2:15 PM
47	This is unacceptable in a heavily congested part of the city.	5/24/2020 8:51 PM
48	Why do I bother cycling everywhere. We are supposed to be encouraging cycling not putting people off	5/23/2020 4:51 PM
49	There has to be another proposal. This cannot be at the environments expense.	5/22/2020 11:28 PM
50	That's insanity!	5/22/2020 11:58 AM
51	Unimaginable misery for local residents the disruption and pollution will be vast	5/22/2020 10:59 AM
52	The NHS have a duty of care to the wider community as well as hospital patients - there must be an alternative solution that satisfies all and does not involve removing much needed green space	5/22/2020 9:17 AM
53	I certainly would not be happy to have this addition burden on local roads and past my home, the area already has enough traffic to contend with and this project will exacerbate the situation for a long period of time	5/22/2020 2:25 AM
54	The current air pollution in the area is worrying increase in traffic capacity in the area is already impacting on health The removal of further trees and grew area will add to the pollution	5/21/2020 5:52 PM
55	That is horrifying! Cardiff has poor enough air quality without adding to it and increasing damage to people's health.	5/21/2020 2:18 PM

56	But not the full scale of it.	5/21/2020 12:08 PM
57	Well I do now! It's disgraceful. It will cause chaos and our air will be seriously effected. The primary school is not far away. We need to protect our children!	5/21/2020 7:48 AM
58	This is horrendous	5/19/2020 5:29 PM
59	This is another reason why it is the worst possible site. Why not put it on one of the industrial estates off the A470 or in the Bay off the A4232?	5/19/2020 7:37 AM
60	I did not know this	5/18/2020 9:17 PM
61	Bonkers	5/18/2020 7:51 PM
62	Did not know, but not surprised.	5/18/2020 5:42 PM
63	Surely this is illegal and short sighted? The impact on the air quality of residents alone will have long lasting consequences beyond the 4 years and perpetuate poor health, health inequalities and create further pressure on health services due to resulting poor health.	5/18/2020 10:55 AM
64	This is a huge worry. Who would approve this in a residential area and so close to Coryton Primary School.	5/18/2020 9:25 AM
65	This is unnecessary. There are alternatives.	5/18/2020 7:58 AM
66	This is terrible and don't feel been widely communicated enough	5/18/2020 3:47 AM
67	It's bad enough that they cut down the forest at the back of CORYTON RISE ,THE NOISE AND THE DUST IS UNBELIEVABLE, AND COSING SO MANY TO SURVER WITH BAD CHESTS ,AND MAKING THE CHILDRENS ASTMER WORSE .also hayfever .	5/18/2020 2:28 AM
68	Very concerned how this will impact on residents in the area - pollution, traffic and detrimental to wildlife	5/17/2020 10:58 PM
69	Asda has objected to access of approx 30 HGV a day but 100+ to be allowed surely cannot be within any recent 'clean air for future generations' laws or enactments.	5/17/2020 8:31 PM
70	But I know now, and that's too much traffic for an already contested road. It will make the buses late into the city centre and affect public transport and make the village more dangerous	5/17/2020 7:27 PM
71	This is totally unacceptable locally and needs reviewing as a priority	5/17/2020 5:48 PM
72	That is terrible	5/17/2020 1:20 PM
73	again as if roads around coryton are not busy enough	5/17/2020 10:51 AM
74	That is shocking- we are already in an area with poor air quality and higher incidence of cancer	5/17/2020 8:47 AM
75	Please don't do this	5/17/2020 12:16 AM
76	Disgraceful!!! I live in Melingriffith Drive, that would be disastrous	5/16/2020 8:33 PM
77	It is to be expected when building a new hospital	5/16/2020 7:12 PM
78	help!	5/16/2020 6:38 PM
79	No consideration for the local community or the environment	5/16/2020 3:09 PM
80	This cannot be allowed to happen in this community	5/16/2020 11:52 AM
81	The traffic through Whitchurch is already at dangerous levels and makes it difficult for existing resistant to leave or access the village. The roads are too narrow for this type of vehicle	5/16/2020 11:36 AM
82	My 3 year old son has asthma which is a concern, as the air quality is sure to be affected by this.	5/16/2020 11:27 AM
83	Not good for our lung or mental health	5/16/2020 11:11 AM
84	My goodness. The pollution will be awful	5/16/2020 11:03 AM
85	I am appalled that this could be allowed.	5/16/2020 10:30 AM
86	I did not know this,- more air pollution. Great :(5/16/2020 9:20 AM
87	Disgusting	5/16/2020 8:58 AM

88	I recently heard this and was horrified as I live on Pantmawr Road, the road can barely cope with the traffic it usually gets, often it is at a standstill to Whitchurch, we don't need any more noise and pollution.	5/16/2020 7:48 AM
89	We own the dog groomers on the hollybush estate and feel this will badly affect customers being able to access our shop and also park!	5/16/2020 7:34 AM
90	Close to a school with impact on young children	5/16/2020 7:29 AM
91	I think given what we are beginning to see about the links between Covid-19 deaths and poor air quality this additional pollution potentially endangers the health of us all	5/16/2020 6:54 AM
92	The traffic is already very difficult in the village at peak times. It would be unbearable.	5/16/2020 6:52 AM
93	I have heard about the old railtrack being re-used	5/16/2020 2:02 AM
94	Shocking. The impact on the health and wellbeing of residents as well as the destruction of wildlife habitats.	5/16/2020 1:10 AM
95	This is appalling. Pollution is already awful, and something WG and the council are meant to be addressing	5/15/2020 11:57 PM
96	Awful. How can the contractors get away with doing this?	5/15/2020 10:41 PM
97	This saddens me	5/15/2020 10:22 PM
98	I think that this will have a hugely negative affect on the health of the residents especially young children. I also think that this will be extremely dangerous for children especially coming home from school as this I believe the HGVs will be active at this time. The pollution will also be a particular problem	5/15/2020 10:15 PM
99	I live on the road that will be most affected. I will also suffer the noise and pollution of construction along the railway cutting and the Lady Coryton field. I have several debilitating and disabling conditions meaning i am unable to leave my property without help, one of the conditions will be exacerbated badly by the noise. I will have to sit at home suffering the affect of the hgvs unable to escape them.	5/15/2020 9:55 PM
100	200 journeys a day	5/15/2020 9:44 PM
101	This should not be allowed. The roads are busy enough many hours of the day and especially at rush hour. Pro road and Pendwyallt road link the village to the cycle routes at coryton, there is a bike lane on Pendwyallt road which is too narrow already. This many HGVs will make it more dangerous for bikes and walkers on the narrow pavement.	5/15/2020 9:40 PM
102	That's appalling!!!	5/15/2020 9:18 PM
103	Disgusting. This will be chaotic for the next few years	5/15/2020 8:33 PM
104	Very concerned about this as my young children walk to school everyday along park rd	5/15/2020 8:14 PM
105	See above	5/15/2020 7:50 PM
106	Pollution on a massive scale	5/15/2020 7:34 PM
107	The impact on local residents, traffic, wildlife etc will be disruptive at best and potentially catastrophic.	5/15/2020 7:24 PM
108	My son has asthma, I'm really concerned about this	5/15/2020 7:18 PM
109	I wasn't aware but this is awful and totally unnecessary	5/15/2020 7:14 PM
110	Even more reason to get this stopped or at least dumbed down	5/15/2020 6:50 PM
111	And it never was going to be that when the idea was first mooted. In my opinion the bad news elements of this development has been drip fed out as the developers knew from the outset they would never get a nod had they been up front and brutally honest in first place.	5/15/2020 6:45 PM
112	False news I think	5/15/2020 6:40 PM
113	This is unacceptable especially with the fact that the council has declared a climate emergency. Do the buildings conform to BREEAM standards?	5/15/2020 6:03 PM
114	My wife and I have two very young children and live in very close proximity to the meadow. This huge potential increase in traffic would have a massive impact on our health and wellbeing.	5/15/2020 5:40 PM
115	And this is hugely worrying . With the current Covid crisis one hopes that there will be a realisation of what is important and the health and environmental consequences of the air	5/15/2020 5:29 PM

	pollution from these works is unacceptable	
116	air quality during this pandemic coyod not be more important to the health of the community as a whole	5/15/2020 5:25 PM
117	I've read that it would be 200 lorries. And that they would be coming down Pendywallyt Road as well as up Park Road. Have they forgotten that there's a primary school, a doctor's surgery with limited parking (so patients park on Park Road). There's an extremely narrow pavement running up one side, with an entrance/exit into the park. Also there's a weight restriction over railway bridge.	5/15/2020 3:00 PM
118	This is temporary whilst construction of the extended and improved cancer hospital is undertaken.	5/15/2020 2:57 PM
119	As I have ill health this will only make it worse	5/15/2020 2:20 PM
120	I have to pass the meadow on the school run which will be a problem should this volume of traffic be permitted to use this site. The level of pollution so close to school should be discouraged at all costs. To remove a green space for it to be used instead for the passage of HGV's is wrong and totally insensitive	5/15/2020 1:28 PM
121	So much for protecting the environment. H&S should be contacted as pollution with massively increase with all that congestion and increased of road accidents.	5/15/2020 11:01 AM
122	That's appalling- traffic through Whitchurch is already choked as it is.	5/15/2020 10:09 AM
123	This is dreadful! And, I imagine, avoidable.	5/15/2020 9:29 AM
124	How else can building materials be brought in?	5/15/2020 9:25 AM
125	Absolutely should not happen, there is enough air pollution in the area as it is.	5/15/2020 9:16 AM
126	It's almost impossible to get out of our street in the car already!	5/15/2020 9:11 AM
127	We already have busy traffic from Coryton Roundabout with links to A470 and M4. Pendywallyt rd is a small road which is always busy at peak times anyway. Pulling out from Pantmawr rd to Pendyllt rd is often a nightmare let alone adding HGV traffic. The congestion and pollution issues this would bring can not be ignored!	5/15/2020 9:05 AM
128	Thats shocking, that will completely disrupt our community and have a massive impact on all our residents as well as lose our nature	5/15/2020 8:54 AM
129	That's terrible	5/15/2020 8:49 AM
130	I cannot believe that any planning committee could allow this. A visit to the area would see the road infrastructure simply doesn't have that capacity	5/15/2020 8:42 AM
131	Access to old hospital grounds adequate from main road	5/15/2020 8:39 AM
132	And this will only make our health worse and kill so many wildlife. Whitchurch cannot handle the traffic it has at the moment. Oh, and the want to build houses on the old hospital site. We'll all have to wear masks to protect ourselves for the rest of our lives here!	5/15/2020 8:33 AM
133	Have any of the people making these decisions seen the traffic flow that is associated with Junc 32, and the peak time traffic. What about us people that live in Whitchurch? What about our lives and that of our family's. There is no consideration being made at all for us.	5/15/2020 8:26 AM
134	Health before wealth. If we do not have our health we have nothing. There is no need for this catastrophe to happen. This will not just affect our physical health, it will affect everyone's mental health and well being.	5/15/2020 8:21 AM
135	100 a day that's a piss take go elsewhere	5/15/2020 8:15 AM
136	I'm fully aware. It isn't a shock, a development of this size require a lot of work and destruction. The plans are to remove a huge proportion of our clean air, green space. I think it's clear the local residents health and wellbeing has taken a back seat in the list of priorities	5/15/2020 8:06 AM
137	Backs up my comment above. They'll bow to Asda and change access plans to disrupt and pollute and ruin the health of people living in Whitchurch. This community has raised millions of pounds for Velindre over the years and they will repay that support with 4 years of congestion, pollution and destruction of our environment	5/15/2020 7:58 AM
138	omg no I'm horrified	5/15/2020 7:45 AM
139	If you build it anywhere there will be traffic and the site is on a a road	5/15/2020 7:35 AM
140	we will fight this and i am disappointed in the politicians who allowed this to be agreed	5/15/2020 7:23 AM

Q10 Are you local to the meadows? what is your postcode?
